Making Leeds the best city for health and wellbeing

Leeds Health and Wellbeing Strategy 2016-21: Emerging Themes for Engagement – A One-side Summary

Everything starts with people

Leeds' greatest strength and most important asset is our people. How do we create the best conditions for all our people to live healthy, happy and fulfilling lives?

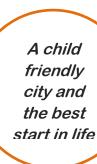

One Vision

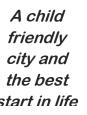

"Leeds will be a healthy and caring city for all ages, where people who are the poorest will improve their health the fastest"

Five outcomes

- 1. People will live longer and have healthier lives
- 2. People will live full, active and independent lives
- 3. People's quality of life will be improved by access to quality services
- 4. People will be actively involved in their health and their care
- 5. People will live in healthy, safe and sustainable communities

Maximise the benefits of information connected and communities technology

Improve

the health and wellbeing services people use Achieve this in a way that is... **Connected**

Acting as one organisation and one city for the people of Leeds

Compassionate

Doing things with people, with their views and needs at heart
