

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

This report seeks the Director of Environment and Housing approval to proceed with seeking forfeiture of a lease in relation to unpaid service charge and ground rent for a flat sold by the Council under the Right to Buy

The leaseholder has been given every opportunity to pay the outstanding Service Charge and Ground Rent for the property. However, the outstanding debt continues to increase and the most appropriate option available to the Council is to seek forfeiture of the lease.

Appropriate action will be taken and assistance provided to the tenant of the Leaseholder who is currently occupying the flat.

In the event forfeiture is obtained through the Courts the Council may retain the properties and have no legal or statutory obligation to recompense the leaseholder or the mortgagee.

Each application for forfeiture is dealt with on its own merits.

3. Relevance to equality, diversity, cohesion and integration

All the council's strategies/policies, services/functions affect service users, employees or the wider community – city wide or more local. These will also have a greater/lesser relevance to equality, diversity, cohesion and integration.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation and any other relevant characteristics (for example socio-economic status, social class, income, unemployment, residential location or family background and education or skills levels).

Ai) Is the consultation /engagement listed on Talking Point?Yes ☐No ☐ If no, please give reason**B) Key findings**

(Think about: any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)
