Dear Sirs

Re:- Application for the sale of Alcohol off the premises of unit 1, 2000, Dewsbury Road Millenium Way Park. During the hours of 00.00 to 23.59 Monday to Sunday

We wish to place an objection to Amazon UK Services Limited being granted a licence to sell alcohol 24 hours a day 7 days a week. It is totally unacceptable to allow this to happen so close to a housing estate.

The address you have given for this unit is Dewsbury Road, but it is not on Dewsbury Road it is off Westland Road and just across the road from our property.

All traffic passes our house to get to this and other units. At the moment the volume of cars, huge lorries and wagons on Westland Road is horrendous with only one way in and out, each vehicle passes twice. The only respite we have is late evenings

and sundays.

If this unit was allowed to trade 24 hours 7 days a week with the traffic and the noise we would get no sleep and it would have a severe effect on our health and wellbeing and I am sure Environmental Health would take a dim view of this.

So objections are :-

1. Open for business 24hrs a day 7 days a week (or to be precise 23hrs and 59mins)
2. To allow these opening hours to go ahead so close to private housing
3. Traffic and noise through the night and being unable to open our windows because of it.
4. Living so close to this unit. Being in our seventies lack of sleep and stress would have a severe effect on our health and wellbeing.
5. Worry about it being a fire hazard stocked with alcohol.
6. Allowing to trade on a Sunday when

all other units are not open

7. Public house at top of Westland Rd do we need another vendor

8. ~~RVs~~ RVs parked across our driveways so we cannot get our cars out.

Yours Sincerely

Dear Sir,

I wish to object to the opening hours of Amazon 1. Millenium Way,

1. Seven days,
- 2 24 hour working.
- 3 Deliveries parking up.

We get Sunday respite at present surely we are entitled to some peace from traffic I cannot have windows open. When the factories were first allowed we were told only one storey high but not the height. Please give us all some peace Westland Rd only has one way in so everything goes out the same way.
