---

### **Purpose of report**

1. This report updates the Community Committee on the work of the three sub groups of the Committee: Environment, Business, Employment & Skills and General Purposes.
2. This report also updates the Committee on pieces of work and partnership working that has taken place in the area since the last meeting.
3. The Community Committee update report is submitted when there is additional business to report from sub groups or any other project activity. Partner organisations and Council services will also contribute information to the Update Report

### **Main issues**

#### **Sub Groups Update**

4. The Outer West Community Committee has a range of sub groups which set priorities, agree topics for consideration at Community Committee and develop action plans to address issues of thematic importance. The committee currently operates three sub groups: Environment, Business, Employment & Skills and General Purposes.
5. Detailed below is an update on the current sub group activity and issues being explored at each.

### Environment Sub Group

6. The Outer West Environmental Sub Group has continued to meet and has led some positive work to ensure that the Service Level Agreement is fit for purpose and that resources are targeted at the areas of greatest need and to deliver the greatest impact.
7. The Outer West Environment Sub Group met on the 4th February 2016 and discussed partnership working throughout the Outer West. Minutes of the meeting are provided at appendix 1. The first partnership would focus on a coordinated approach to emptying Parks bins, Streets bins and dog bins.
8. Since the last meeting a mapping exercise had been done of all litter and dog bins in the Outer West. This will help shape the basis of a trial for the area which would help save on resource, manpower and time.
9. It was noted at the last meeting that a citywide review of gullies would be taking place.
10. There was an interest from the sub group to explore an awareness campaign on anti-dog fouling. Work will be undertaken in schools to bring about awareness of the issues and of severe conditions that can be contracted such as Toxocariasis in young children.

### General Purposes Sub Group

11. At the Committee meeting in March, Members were asked to consider creating a General Purposes Sub Group which would allow two main purposes:
  - To allow Members to have more time to oversee current and future delegated services
  - To allow Members to focus on key local priorities with the relevant service managers outside of Community Committee meetings.
12. Meetings of the General Purposes Sub group are arranged on request from the Community Committee.
13. The General Purposes Sub group met on 11 January 2016 to consider projects that had been received from the YAF commissioning round which was reported at the last meeting. Members approved the projects listed in **Table 1**. The total cost of all projects was £456 more than what was available in the YAF budget. Members approved a wellbeing contribution be made for this amount to make the shortfall.

## **West Neighbourhood Improvement Board**

14. It was agreed at the November 2014 West Neighbourhood Improvement Board (NIB) that a plan on a page be developed for each of the priority neighbourhoods. Since their November 2014 meeting, data on each area was collated and reviewed and consultation with key partners, including Public Health, Employment and Skills, Community Safety, Housing Leeds and Children's Services had been undertaken. Draft plans on a page for the Heights & Bawns priority neighbourhoods were developed and were presented at the February 2015 NIB meeting for consideration and discussion.
15. Theme champions have now devised their own action plans on area of work and set targets against actions. An action tracker will be used for each theme to monitor progress against targets. The NIP meeting on the 26<sup>th</sup> January received feedback from the theme leads whom provided an update on key actions.
16. Further work around partnership working will be explored by the service theme leads

## **Citizens @ Pudsey & Swinnow Forum & Citizens @ Tyersal Forum**

17. Both forums receive an update from the Neighbourhood Policing Team, who reported on a series of successful arrests and prosecutions in the area recently. Half of the properties targeted are through insecure doors or windows, and crime prevention advice is provided by the officers.
18. The meetings have had representation from the West North West Locality Team, Parks & Countryside, Highways, Transportation, Housing Leeds, Planning and Private Sector Housing Team.

## **Community Committees**

19. The Community Committees have been in operation for a whole municipal year. The purpose of this style of working is to engage more with the community on topics that are of wide interest and accessible to all.
20. All themed meetings have allowed the Community Committee to work with a bottom-up approach by engaging with stakeholders to envision ways to strengthen the way in which citizens are involved in local decision making. #
21. The next themed meeting will consist of a conversation dinner with local residents from across Outer West.

## **Social Media**

22. The Communities Team have publicised a range of messages on the Outer West Social Media platforms around consultation, community events or improvements to an area,
