## **6 Cumulative Impact Policy**

6.1 The premises are located within the cumulative impact area for Area 2.

6.2 Cumulative impact means the potential impact on the promotion of the licensing objectives due to the significant number of licensed premises concentrated in one area.

6.3 An applicant wishing to obtain a new licence for premises falling within any of the cumulative impact areas must identify, through the risk assessment process and/or the operating schedule, the steps they intend to take so that the council and responsible authorities can be satisfied that granting a new licence would not add to the impact already being experienced.

6.4 Details of the cumulative impact policy specific to Area 2 and an outline of the evidence behind the reason for setting this policy is attached at Appendix D.

6.5 Members are directed to paragraphs 7.51 to 7.54 of the Statement of Licensing Policy which provides examples of how an application may be considered exceptional and the matters that the council would not normally take into consideration.

## **7 Licensing hours**

7.1 Members are directed to paragraphs 6.8 to 6.15 of the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.

7.2 In brief the Policy states at 6.14 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so.

7.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that

granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to seek the same additional hours to prevent rivals gaining a commercial advantage.

7.4 A list of premises in the local area and their licensed hours and activities is provided at Appendix H.

## **8 Equality and diversity implications**

8.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

## **9 Options available to Members**

9.1 The licensing subcommittee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

9.2 Members of the licensing subcommittee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.
