

Inner East Community Committee Wellbeing Review 2015/16

Over the last 12 months, the Inner East Community Committee has so far funded 87* projects delivered by over 58 organisations through its Wellbeing and Youth Activity budgets which have contributed towards the six priorities set at the start of the year.

- ❖ 55 Projects that seek to promote diversity, encourage community cohesion and address language barriers
- ❖ 8 Projects that seek to tackle issues associated with child poverty
- ❖ 11 Projects that seek to get residents into employment, training, volunteering opportunities or learn new skills
- ❖ 12 Projects that seek to address both physical and mental health issues that affect residents in Inner East Leeds
- ❖ 6 Projects that seek to improve the environment for local residents
- ❖ 6 Projects that seek to reduce levels of domestic violence in Inner East Leeds

*Some projects meet more than one of the set priorities
