I am writing regarding the licence application for Best Kebab 48/50 Westgate, Otley, LS21 3AS I Live at [redacted] and I object to Best Kebab having a drinks licence, I don't think there is any need for a kebab takeaway to be supplying alcohol till 1am midweek and 2am on the weekend, it is not in the centre of a town, or city, surrounded by businesses, although it is on the road going out of town, it is surrounded by residential houses, many who have children. We have enough noise and carrying on till the early hours with people waiting for their "food". My house is a road back from the main road but we over look the garages and into the little car park on Westgate and the noise wakes us up on a weekend, so I can't imagine how noisy it is nearer and overlooking the takeaways, I think them selling alcohol will only make people hang around even more. And it seems to me that teenagers seem to hang round there a lot till all hours. So I think it will be an even better incentive for the teenagers to be hanging round. So I would like to object.

Yours Sincerely,

Joanne Arbuckle
