Dear

Ham & Beer, 7 Merrion Street, Leeds

Thankyou for your letter of 10 March 2016.

We have now taken our clients instructions and can agree to the additional conditions requested, modified slightly.

Of the conditions we would ask that the following amendments could be made:

- bullet point 2 and 3, could the words “in the event door staff are employed at the premises”, be added before the wording suggested on each of those conditions.
- On the final bullet point “food shall be available throughout the premises until 9.00pm last.”

We hope in the circumstances that these minor amendments come as I discussed over the telephone will not cause difficulty and in those circumstances that the representation can now be withdrawn.

Yours faithfully
