Summary of main issues

1. During the municipal year 2015/16, the Scrutiny Board undertook a variety of work and inquiry areas, including the Involvement of the Third Sector in the Provision of Health and Social Care Services across Leeds and Primary Care.
2. The purpose of the report is to introduce the draft reports and recommendations from those aspects of work, for consideration and agreement.
3. Scrutiny Board Procedure Rule 13.2 states:
"Where a Scrutiny Board is considering making specific recommendations it shall invite advice from the appropriate Director(s) prior to finalising its recommendations. The Director shall consult with the appropriate Executive Member before providing any such advice. The detail of that advice shall be reported to the Scrutiny Board and considered before the report is finalised".
4. In line with Scrutiny Board Procedure Rule 13.2, advice on the draft reports and recommendations will be sought from the relevant Directors and, on receipt, the advice will be published alongside the draft Scrutiny Board reports, for consideration by the Scrutiny Board before finalising its report.
5. As such, the Scrutiny Board's report will be presented as supplementary information to this report (alongside the relevant advice) and will be published in advance of the meeting on the 28 June 2016.

6. Once the Board publishes its final report, the appropriate bodies will be asked to formally respond to the Scrutiny Board's recommendations, which will be reported to a future Scrutiny Board meeting.

Recommendations

7. Taking account of the appropriate advice, Members of the Scrutiny Board are asked to consider and agree the draft scrutiny inquiry reports presented.
