## Looking to the future and our transport strategy

6. Transport is a fundamental component of what makes a liveable city. Thinking about our future transport strategy to what extent do you agree with the following statements?

Transport should support the growth of our economy.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Transport should help create an attractive place where people want to live and work.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is important that everyone can access our transport system.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

It is important that transport has less impact the environment.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

## Looking to the future - our transport strategy

7. Our city is growing – we need to provide 70,000 new homes by 2028 and we want to see growth in jobs. With increased car travel come additional problems to resolve, for example road casualties, poor air quality, noise, carbon and traffic congestion. Thinking about your experiences of travelling to or through the city centre and looking to the future, to what extent do you agree with the following statements?

	Strongly Agree	Agree	Neither agree or disagree	Disagree	Strongly Disagree	n/a
We should take away road space from cars and give priority to public transport.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I would use a Park & Ride service if it was quicker, cheaper and more convenient than parking in the city centre.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Through car traffic should be directed away from the city centre.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
More people should travel to the city centre by public transport.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
More priority should be given to creating a pedestrian and cycle friendly environment on our streets.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The purchase of land and property to deliver transport improvements on narrow key transport routes should be considered.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Focus on regional journeys and connecting Leeds to other cities.
