## **1.0 Summary of main issues**

- 1.1 Housing Leeds produce an annual report, which outlines how they are performing against services standards, which have been agreed with tenants. It also captures information for the period 6 April 2015 to 3 March 2016 including details about some key achievements, projects and initiatives undertaken.
- 1.2 This year a new approach has been suggested, currently Housing Leeds are consulting with involved tenants about providing a short video of involved groups outlining their area of work for the past year, rather than just producing a report containing text.

## **2.0 Recommendation**

- 2.1 Members of the Board are requested to discuss this suggestion and provide feedback to Housing Leeds.
