

Job title: Chief Officer Health Partnerships

Date: 04.08.2016

Ref:LS70

Job Purpose

The Chief Officer will lead on supporting the partnership for health and wellbeing improvement across Leeds including Leeds City Council, local and national NHS bodies, third sector and commercial operators. Within Leeds the role supports Adult Social Care, Children's Services, Public Health, the CCG and NHS Provider bodies. Working in partnership across these services the post holder will be responsible for supporting and enabling transformation and implementing change across the city in line with local and national policy.

The post holder is accountable to the Director of Adult Social Care for the delivery of agreed outcomes, targets and objectives.

Key Requirements

- A relevant degree together with substantial senior leadership and management experience.
- Comprehensive knowledge and understanding of the current local and national issues and the legislative and political context within which health and social care operate
- Evidence of working in a multi-agency environment and of forging and driving successful partnership programmes to deliver cross sector priorities and outcomes
- Excellent communication skills with the ability to influence, negotiate and establish credibility across sectors to enhance reputation and form positive relationships
- Experience of successful leadership and management of large scale complex change programmes with an understanding of the strategic issues that face integrated work

LCC Values

Working as a Team for Leeds

- Provide leadership and work collaboratively by developing and maintaining good working relationships with internal and external customers, other stakeholders and partners across the City and Region to achieve excellent outcomes for the citizens of Leeds

Being Open, Honest & Trusted

- Develop trust with an engaging, collaborative and inclusive way of working. You communicate effectively, using straight forward language and adapt your style to enable a high level of engagement, taking ownership of informed decisions and outcomes.

Working with Communities

- Work effectively with elected members, senior managers and a variety of partner organisations to deliver services; communicate and involve stakeholders and the wider community in new developments to encourage ownership and commitment.

Treating People Fairly

- Recognise that everyone has an equally important part to play both within the Council and across the city, valuing the diverse and vibrant nature of the city and all its citizens

Spending Money Wisely

- Set high expectations of achievement across a range of strategic outcomes; actively seek out opportunities to improve delivery of services through partnership and feedback ensuring these provide value for money and maintain quality.

Working Context

- The role is primarily office based but post holders are expected to work flexibly both at home and at various locations across the City and region.

The role profile and specification are an outline only and may vary from time to time without changing the character of the job or level of responsibility
