## 1 Purpose of this report

- 1.1 The purpose of this report is to provide members of the Scrutiny Board with details of the Care Quality Commission report: The State of Health Care and Social Care in England 2015/16, published on 13 October 2016.
- 1.2 The report also introduces recently reported Care Quality Commission inspection outcomes for health and social care providers across Leeds.

## 2 Summary of main issues

- 2.1 Established in 2009, the Care Quality Commission (CQC) regulates all health and social care services in England and ensures the quality and safety of care in hospitals, dentists, ambulances, and care homes, and the care given in people's own homes. The CQC routinely inspects health and social care service providers, publishing its inspection reports, findings and judgments.
- 2.2 On 13 October 2016, the CQC published its annual overview report on the state of health and social care services provided in England. A summary of the report is appended to this report. A full version of the report is available at:  
[http://www.cqc.org.uk/sites/default/files/20161013b\\_stateofcare1516\\_web.pdf](http://www.cqc.org.uk/sites/default/files/20161013b_stateofcare1516_web.pdf)<sup>1</sup>.
- 2.3 Representatives from the CQC have been invited to attend the Scrutiny Board to help members consider the Leeds context to the overall report.

<sup>1</sup> Printed copies of the full report will be provided for all members of the Scrutiny Board.

### CQC Inspection reports

- 2.4 In addition, to help ensure the Scrutiny Board maintains a focus on the quality of health and social care services across the City this report also aims to provide members of the Scrutiny Board with details recently published CQC inspection reports for providers of health and social care services across Leeds.
- 2.5 During the previous municipal year (2015/16), a system of routinely presenting and reporting CQC inspection outcomes to the Scrutiny Board was established. The processes involved continue to be developed and refined in order to help the Scrutiny Board maintain an overview of quality across local health and social care service providers.
- 2.6 A summary of the inspection outcomes across Leeds published since 1 April 2016 will be provided prior to the meeting. This will include details of the most recent inspection reports.

### **3. Recommendations**

- 3.1 That the Scrutiny Board:
  - (a) Considers the details presented at the meeting and set out in this report and its appendices; and,
  - (b) Determines any further scrutiny activity and/or actions, as appropriate.
