

Area 3 – Woodhouse

- 7.33 Area 3 as defined on the map relates to the arterial road (the A660) linking Area 1 (City Centre) and Area 2 (Headingley District).

- 7.34 When the council approved its first statement of licensing policy it contained a cumulative impact policy for the area shown in the above appendix. At that time the council had concerns that by adopting policies in respect of areas 1 and 2 that there could be a tendency to displace either the crime and disorder or public nuisance impact into Area 3. The council was also mindful of police representations from West Yorkshire Police that also backed up this concern.
- 7.35 The most recent evidence and public consultation responses gathered in respect of Area 3 shows that the A660 corridor still experiences a greater proportion of alcohol related crime and antisocial behaviour than the rest of the Hyde Park/Woodhouse area. The police attribute this trend to the high concentration of licensed venues in the area. There are also worrying signs that displacement of problems may be taking place as evidenced by the strong responses received during the consultation process about public nuisance problems and alcohol fuelled anti-social behaviour and criminal damage.
- 7.36 It appears that the proximity of the Headingley area and its significant concentration of venues coupled with the growing number of premises licensed into the early hours of the morning to the north of the city centre and along the A660 corridor is causing problems related to the licensing objectives. The evidence suggests that there is likely to be movements of inebriated people who may have a tendency to loud and disorderly behaviour late at night, either travelling into the city centre from Headingley, or travelling out of the city centre towards Headingley. The council takes the view that the existing policy should be retained as follows to ensure that these problems are not allowed to worsen.
- 7.37 It is the council's policy in respect of Area 3 that, on receipt of relevant representations, necessary conditions will be applied to all premises licences in the area to ensure that the problems experienced in Areas 1 and 2 are not displaced into Area 3.
