

Cross Green – Neighbourhood Support

Issue	Actions	Lead Agency
Need to improve accessibility of support services to Cross Green Community.	Establish weekly “pop up” one stop shop <ul style="list-style-type: none"> • Using either the Hugo bus and/or St Hilda’s church establish weekly One Stop provision. • Customer Service Officer to provide general advice and support and signposting. • Employment and Skills to support – promote vacancies and offer employment support • Identify and secure buy in from other partners to support the sessions. (Take to BRH Neighbourhood Improvement Partnership) • Needs to be delivered long term in order to have an impact – How to sustain this? • Launch the service through door to door engagement. 	Compton Centre (Adele Wilson) Support from Ian Kenning (Communities Team) Julie Holmes (Housing Leeds)
	Continue to develop services at Richmond Hill Primary School <ul style="list-style-type: none"> • ESOL for parents • Housing surgery • Community Learning 	RH Primary + delivery partners
	Promote Connect for Health Social Prescribing scheme <ul style="list-style-type: none"> • Involve local “Health connectors” in door knocking and pop up One Stop provision • Include information in welcome pack. • Promote through local GP’s 	Liz Bailey (Public Health) BRH Health and Wellbeing Sub Group
High turnover of tenants – no support for “new arrivals”	Develop a welcome pack for new tenants <ul style="list-style-type: none"> • Information on local services, bin collection days, bus services, LASBT etc • Put pack together electronically so that Landlords can email to tenants when they move in. • Create a version to deliver to existing residents 	Private Sector Landlord Team - Mark Ireland
Community Cohesion – Lack of communal spaces for the community to mix.	Develop workshop / meeting space building on Community Garden <ul style="list-style-type: none"> • Garden project already bringing community together – cohesion benefits, mental health benefits, general health and wellbeing, youth engagement etc • The building would enable a broader range of activities to be delivered from this site. 	Pete Tatham – Hyde Park Source Cross Green Community Group
Improve public transport and connectivity	<ul style="list-style-type: none"> • Influence West Yorkshire Combined Authority’s Bus and transport strategies. Promote through Cross Green Residents Group and BRH Community Leadership Team. • Promote local cycling infrastructure • Develop physical links to South Bank development 	Ian Kenning (ENE Communities Team)
