**Equality, Diversity, Cohesion and**  
**Integration Screening**

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

This job opportunity is open to all Leeds City Council employees, irrespective of current background. This vacancy has been communicated across the Council in order to engage the workforce and advance equality of opportunity. The job description and role specification clearly set out the expectations of the successful candidate. The recruitment process will be Member led and the Employment Committee will assess the successful candidate's commitment to addressing inequalities and delivering fairer outcomes to the residents of Leeds.

The Council's leadership team and key partners have been consulted with over proposals to recruit to this post.

- **Key findings**

**(think about** any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

A high calibre appointment to this post will play a key role in reducing the socio-economic divide across Leeds by keeping the streets clean and enabling everyone to live in clean and well cared for places.

- **Actions**

**(think about** how you will promote positive impact and remove/ reduce negative impact)

Assessment of the impact of this post will be managed through Leeds City Council's existing performance framework and appraisal process.
