RE Complaint / Objection For Chickano's To Open Late

Dear Sir / Madam

I am writing on behalf of the [REDACTED] am writing to you to make a complaint against my [REDACTED] Chickano's (Address 166 Roundhay Road, Leeds LS8 5PL) I am writing as a local business to object to the above application. I am greatly concerned that the proposal, if it goes ahead, will have significant detrimental effects on the environment and the local community.

For the past weeks, [REDACTED] has been opening late we believe on a temporary license which have been very disruptive to ourselves, our regular customers and our other neighbors. A lot of their customers who happen to be the younger generation (Aged between 16- 24) have been causing trouble to our regular family customers, causing parking difficulties (Parking wherever they wish) as well as dumping litter on our premises which we have had to clear. On one instance they also put their signs up on our premise without gaining permission from ourselves. I am afraid if their application is successful then these sort of issues are going to increase.

People have started parking wherever they choose to ignoring safety lines sometime even parking on the pavement in front of the takeaway. This is very dangerous as we are straight outside the main road.

These encounters have normally happened during the weekends during late opening hours. The constant human chattering are causing our business and regular customers pain and dissatisfaction.

Kindly investigate and take the appropriate action to rectify the issue so that the other customers can enjoy the harmonious living we have had for the last 20 years.

I appreciate your prompt action to this complaint.

Yours sincerely,
