**Subject** PREM/03863/001 – Premises Licence application for Papa Johns, 2 The Becketts, 605 Meanwood Road

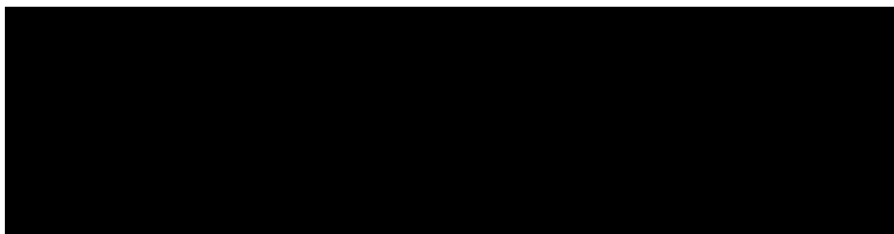

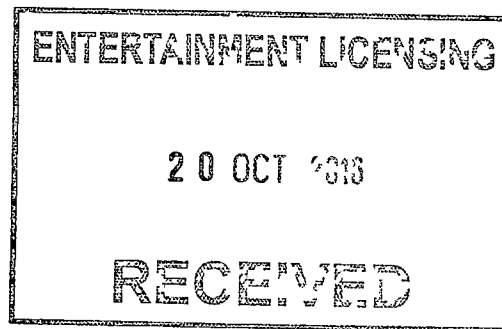

Dear Sir,

I wish to object to the above application for the provision of late night refreshment between the hours of 23:00 and 01:00 Sunday to Thursday and 23:00 to 03:00 Friday and Saturday for the following reasons

- Weetwood councillors reluctantly agreed to the planning application due to the impact on the amenity for local residents and highways, and only agreed to it on the basis of the two conditions detailed below
- The approved planning application had a condition on the opening hours which were restricted to 11am to 11pm Monday to Sunday including Bank Holidays
- Another condition was that deliveries of bulk goods and waste collections shall not occur between 2100 and 0700 hours
- Although the premises are within the Meanwood centre, this is essentially a residential area and there are flats above all the retail units and later opening hours would affect their amenity by the increased noise of cars, slamming doors, general public noise, more litter. These cumulatively are a public nuisance
- There are twenty four flats immediately above the premises whose occupants would be disturbed by the proposed later hours of opening especially as most of them work
- Papa John's would be the only premises in the area opening to 1:00am Sunday to Thursday and to 3:00am on Fridays and Saturdays which would attract more customers and create a precedent in the Meanwood Centre with other take aways following suit
- There are also concerns about cars parking on the double yellow lines outside the take away
- Despite bollards being installed on the pavement the delivery bikes are often parked there which is a matter of public safety for all residents including children

Best wishes,  
Sue

Sue Bentley
