I write as a neighbour to application Prem/03871/001 by J.D. Wetherspoons for an alcohol licence on Headingly Lane Leeds LS6 1BX. I object because of noise all the extra cars parking, disturbance. I have lived on Buckingham Rd for 40 years. With the school on this road and so many cars dropping children and picking them up my family find it hard to find a parking space on this Rd. So I don't like to think of cars

bringing drinkers to Wetterspoons
having more cars on the road.

It is a lovely Rd to live on
and don't want it to be changed
with more drinkers using it.
