Temple Newsam

Councillor Debra Coupar

Councillor Helen Hayden

Councillor Michael Lyons OBE

Open doors in outer east

The Community Committee holds all meetings (and workshops) at local public venues and you are welcome to come along to see and hear what is happening, plus ask questions during the *open floor* section.

The next meeting will take place 16:00 on **Tuesday 6th December 2016** at Christ Church, Chapel Street, Halton, LS15 7RW.

The topic is **Primary Health**, please come along and have your say.

Outer East Community Committee newsletter November 2016

Lighting up for Christmas in Outer East Leeds

Congratulations to Holly-Ann Jones, from Manston St. James Academy, who won the competition to design the Cross Gates Christmas Lights Switch On poster! **The event is on 11 November, 7pm on Austhorpe Road.**

Other Christmas lights events in Outer East for your diary:

- Kippax – Thursday 24 November, parade from 6pm, High Street.
- Garforth – Saturday 26 November, 5pm, Main Street.
- Great Preston – Thursday 1 December, 6pm, Berry Lane.
- Methley – Friday 2 December, 5.30pm, the Village & Community Centre, Main Street
- Halton - Wednesday 7 December, 6pm, outside Lidl.

Temple Newsam Engagement Event

The Communities Team South East has been working with Temple Newsam Learning Partnership and LCC Youth Service to develop an engagement event for families in the Temple Newsam ward. This pilot event took place on 25th October 2016 at Temple Moor High School.

The event provided an opportunity for councillors to engage with young people and for young people to have a say in what activities they would like to be delivered in their local area next year. They also had chance to find out more about the role of councillors.

The children and young people enjoyed some fun and free activities such as cycling, skateboarding and dry land synchronised swimming plus the chance to win some fabulous prizes!

Youth Activities Fund

From bouncy castles, plays days, animal visits to ambassador training, there has been a wealth of activities to choose from thanks to funding from the Outer East Community Committee Youth Activities Fund. Although all the money has now been allocated, activities will continue to be delivered to the end of this financial year so there is still plenty in store. Details of activities can be found on the Breeze Leeds website: www.breezeleeds.org.

The funding round for 2017/18 will be open soon.

Exciting activities we are funding, taking place between November and March 2017

Global Gang interactive and creative workshops for primary school children at Great Preston and Corpus Christi Primary Schools. Activities include:

- Upcycling items that would normally be thrown away to create something beautiful and useful
- Creating and 'selling' Fairtrade honey as part of a role play game
- Creating superhero puppets and dramas about children's rights and responsibilities, and
- Making your own graffiti art plaque

Improving transport in your neighbourhood

Central government has promised an additional £173.5m for public transport improvements. The council is now developing plans to improve transport in Leeds and is asking people who use transport in the city what **they** think.

This discussion is one of many taking place across the whole of Leeds to find out what **you** think about public transport around Leeds. These conversations will feed into our bid to government in the autumn.

To join in the conversation, go online at www.leeds.gov.uk/transportconversation or tweet us your thoughts at #LeedsTransport.

How would you spend £173m helping improve Leeds transport network?

More bus routes, extra train stations?
Better links to the airport? 700 metres of underground line? Better links to the city centre? Better links to other areas?

These were just some of the ideas raised at the Outer East community committee workshop held at the Kippax Band Social club on 6th September.

For more information about what was covered at the September community committee meeting, please click [here](#)
