Reasons for comment:

Comments: 10:18 PM on 03 Nov 2016 I strongly object to an application at for premises licence at 18 Harehills Road for sale of retail alcohol from Monday to Sunday to 11pm.

Note the premises is unsuitable for this purpose due to its small size and I am concerned it will encourage customers waiting outdoors or gathering outdoors, whilst obviously consuming alcohol, this will cause public nuisance and poor behaviour, affecting quality of life for both commercial and residential neighbours.

I am concerned this is near a residential area, with children who visit nearby shops and children could be at risk of harm due to the nature of the customers who will visit this shop. They maybe consuming or semi drunk. Note there are many other off licences in this area and I have witnessed poor behaviour by drunks at nights and we do not wish to witness this here at 18 Harehills Road, especially as it will open late till 11pm, note the late opening will cause further noise, crime, disorder and nuisance for residential neighbours within the area.

Finally, I have concerns crime will increase in this area and further reports will be made to the police due to its location being on a corner of a residential street. The nature of the business, in my opinion will encourage unwanted behaviour, crime, disorder, noise at unsocial times, safety and concerns for children who live in this area.

Reasons for comment:

Comments: 5:39 PM on 07 Nov 2016 I wish to make a rejection for this application as already there are many issues within this area of anti social behaviour. The police are working very closely with community members to minimize anti social behaviour due to drinking, and feel another shop selling alcohol would ad more issues and problems for this area. I hope that this application be refused on the grounds of nuisance and anti social behavior. We have many properties around the local shop of whom do not drink alcohol, and feel that this could have a very negative impact on the local community. Opening this shop will result in more crowded people congregating around on street corners, vandalism and crime associated with alcohol related issues.

Your ref: [REDACTED]

Dear Sir/ Madam

After receiving a letter today to inform me of a planning application submitted by **Venus International, 18 Harehills Road, Leeds LS8 5PB.**

As A resident living [REDACTED] **Harehills Road** to be exact I would like to object to such licence being granted. We already suffer from noisy drunk people along with empty alcohol cans/ bottles both on the road and in our gardens. We also get people urinating on our wall, in our back street and the church yard. We also have people sitting on our wall and the church steps over the road from our house consuming alcohol and being very noisy in some case these are young people and it goes on till very late hours.

I do feel all the above would increase and make living here very difficult for me and my family.

I also think that if anyone would like to purchase alcohol there are many shops within a small walking distance.

I hope all the above is taken in to consideration when making the final decision.

Kind regards

[REDACTED]
[REDACTED] Harehills Road

Leeds

LS8 5PB
