Good Morning,

Further to our telephone conversation, I have read through the application for variation and there are several conditions that have been offered which I feel would not be of benefit to the applicant.

Therefore I would recommend the removal of the following suggested conditions:

- The minimum number of door supervisors for the premises is _____
- The Premises Licence Holder (PLH)/Designated Premises Supervisor (DPS) will ensure that a Daily Record Register is maintained on the premises by the door staff
- The Daily Record Register will contain consecutively numbered pages, the full name and registration number of each person on duty, the employer of that person and the date and time he/she commenced duty and finished duty (verified by the individuals signature)
- The Daily Record Register will be retained on the premises for a period of twelve months from the date of the last entry
- Security staff/designated supervisors will be familiar with the premises policy concerning the admission, exclusion and safeguarding of customers whilst in the premises
- A policy for searching patrons at the entrance to the premises will be adopted and prominently displayed on the premises
- The PLH/DPS will inform West Yorkshire Police as soon as practicably of any search resulting in a seizure of drugs or offensive weapons
- A suitable purpose-made receptacle for the safe retention of illegal substances will be provided and arrangements made for the safe disposal of its contents as agreed with West Yorkshire Police or British Transport Police
- Notices will be prominently displayed at the entrances of the premises which state:
 - a search will be conducted as a condition of entry to premises;
 - Incidents of crime and disorder will be reported to the police and a full recorded entry will be made in the incident report register.
 - Entry to the premises will be refused to any person who appears to be drunk, acting in a threatening manner or is violent; or appears to be under the influence of drugs
- entry will be refused to any person who has been convicted of an offence of drunkenness, violent or threatening behaviour or the use or distribution of illegal substances

- Drinks, open bottles and glasses will not be taken from the premises at any time. Empty bottles and glasses will be collected regularly and promptly. Glass and other sharp objects will be stored and disposed of safely using suitable receptacles. Receptacles will be secured and not accessible to the customers
- The PLH/DPS will prominently display notices which inform customers that open bottles or glasses may not be taken off the premises

Please can I ask agreement is made with reply to all on this email and it is done by 14th February 2017.

If you have any concerns or queries to this suggestion, please do not hesitate to contact me.

Kind regards

Cat Sanderson
