1 Purpose of this report

- 1.1 The purpose of this report is to provide an opportunity for the Scrutiny Board to consider Leeds Clinical Commissioning Groups (CCGs) 'One Voice' Project.

2 Main issues

- 2.1 During the previous municipal year (2015/16), the Scrutiny Board received and considered a range of evidence associated with the planning and provision of Primary Care across the City.
- 2.2 Part of the discussions included consideration of the transfer of commissioning responsibility from NHS England to local CCGs; the development of primary care strategies and the development and operation of Primary Care Committees. The opportunity to discuss these aspects in more detail is included elsewhere on the agenda.
- 2.3 However, the extension of primary care commissioning responsibilities represented a further development in the role of local CCGs since formally coming into existence in April 2013, following the abolition of Leeds Primary Care Trust on 31 March 2013.
- 2.4 More recently, there have been ongoing discussions around closer collaboration between the three CCGs in Leeds (namely Leeds North CCG; Leeds South and East CCG and Leeds West CCG). This collaborative project is referred to locally as 'One Voice' and an outline of proposals were formally provided at the Scrutiny Board meeting in February 2017.

2.5 This report provides an opportunity for the Scrutiny Board to be updated on progress and proposed arrangements for the future.

2.6 Suitable senior representatives from Leeds CCGs have been invited to attend the meeting to discuss progress in more detail and address any questions from the Scrutiny Board.

3. Recommendations

3.1 Members are asked to consider the information provided at the meeting and determine any further scrutiny actions and/or activity.
