1 Summary of main issues

1.1 On the 19 April 2017 the Director of Children and Families will submit the Annual Standards Report 2015-16 to the Executive Board. The report summarises data and information which shows the outcomes of Leeds children and young people.

The Executive Board will be recommended to:

- Note this report as it details the outcomes of Leeds children and young people in the 2015 / 2016 academic year.
- Make recommendations against expectations for future developments in learning and ways that Leeds intends to diminish differences between key groups across the city; including those pupils with pupil premium funding, SEND or within a minority group.
- Consider the provision of ongoing support, challenge and intervention in Leeds to ensure that progress continues to be made towards the Best City for Learning.
- Note the Head of Learning Improvement is responsible for implementation of the 'Best City for Learning' strategic plan.

1.2 This report is now brought before the Scrutiny Board (Children's Services) for consideration. To further facilitate the scrutiny of educational performance in Leeds the Annual Standards Report will be supplemented by the Learning Outcomes Dashboards. These will be provided as late supplementary information.

2 Recommendations

The Scrutiny Board (Children's Services) is requested to:
