

Further to our conversation this morning, please find the wording for the conditions I would like to be added:

- A suitable Closed-Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times where members of the public are present on the premises.
- The CCTV system will cover all external areas of the premises occupied by the public, i.e. queuing areas, beer gardens, smoking areas and car parks.
- The CCTV system will contain the correct time and date stamp information.
- The CCTV system will have sufficient storage retention capacity for a minimum of 31 days' continuous footage which will be of good quality.
- The PLH/DPS will belong to a recognised trade body or Pub Watch Scheme where one exists, whose aims include the promotion of the licensing objectives.

Kind regards,

Cat
