

# Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

## 1. Title: Flexible Homeless Support Grant – targeted support for people who are rough sleeping and begging.

Is this a:

Strategy / Policy
  Service / Function
  Other

If other, please specify

## 2. Please provide a brief description of what you are screening

A review of housing related support has taken place over the last two years and new services have been commissioned. The new model for housing related support includes visiting support and accommodation services.

An opportunity has arisen to also fund some additional targeted work with people who are rough sleeping or begging, as a result of an increase in funding to the Council from DCLG for homelessness in the form of the Flexible Homelessness Support Grant.

This report recommends that funding should be allocated to DISC and CGL to strengthen the work of the Street Outreach team and Forward Leeds.

There is an increasing number of people rough sleeping and begging nationally and in Leeds. Some people have entrenched and complex issues and do not engage with offers of assistance. Additional resource will mean that additional outreach can

take place and a specialist complex worker team made up of two workers at Street Outreach and one at Forward Leeds will work specifically with this client group.

One of the workers at Street Outreach will also support people rehoused as part of the new Choice Based Lettings scheme.

The workers will secure 'priority access' to core services, identify key contacts, coordinate a list of individuals and lead discussion regarding individuals at the Multi Agency Review Board (MARB).

Contracts will run to the end of March 2019.

### 3. Relevance to equality, diversity, cohesion and integration

All the council's strategies/policies, services/functions affect service users, employees or the wider community – city wide or more local. These will also have a greater/lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

#### 4. Considering the impact on equality, diversity, cohesion and integration

If you can demonstrate you have considered how your proposals impact on equality, diversity, cohesion and integration you have carried out an impact assessment.

Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?** (think about the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

- **Key findings** (think about any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

- **Actions** (think about how you will promote positive impact and remove/ reduce negative impact)

5. If you are **not** already considering the impact on equality, diversity, cohesion and integration you **will need to carry out an impact assessment.**
