2 Main issues

- 2.1 At its meeting on 20 September 2017, Executive Board received and considered a report from the Director of Adults and Health that introduced Leeds Adult and Health Regulated Services Quality Account. The report and associated attachments are appended to this report for consideration by the Scrutiny Board.
- 2.2 To assist the Scrutiny Board's consideration of the details presented, the relevant extract from the draft Executive Board minutes are provided below:

The Director of Adults and Health submitted a report presenting the 2017 'Quality Account' in respect of regulated Social Care services (those registered and inspected by the Care Quality Commission) for Leeds.

In receiving the submitted Quality Account, the Board discussed the aim of developing a 'one city' approach towards the evaluation of quality of care provision, and also discussed the options available, together with the potential restrictions regarding the role which could be played by members of the local community in such processes.

In addition, responding to an enquiry, Members were assured that the Council liaised with those Local Authorities who performed highly in this area, in order to share experience of good practice.

RESOLVED –

- (a) That the contents of the submitted report be noted; that the work outlined within it to deliver improvements be supported; and that approval be given for the publication of the Adults and Health Quality Account for Leeds, as appended to the submitted report;*
- (b) That it be noted that the Head of Commissioning (Contracts and Business Development) for Adults and Health will ensure that the Quality Account 2017 is published on the Leeds City Council website by the end of this calendar year.*

2.3 Appropriate officers from Adults and Health will be in attendance to present the attached details and address any questions from the Scrutiny Board.
