

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

2. Please provide a brief description of what you are screening

The Rural Payments Agency has announced a grant to be administered via Local Enterprise Partnership's (LEPs) with the aim to support projects that create jobs and growth in rural areas by increasing the number of visitors, length of stay and amount spent. Preparations have commenced to deliver the next phase of a project at Lotherton Wildlife World which will include transforming the existing walk in aviary to a Masai themed centre, a new undercover space with new tropical themed species and to create a small children's zoo. There is an opportunity to help fund this next phase of Lotherton Wildlife World and other improvements depending on the level of funding available for a bid and subject to the council providing at least 20% match funding. The council would need to fill in an expression of interest form at the latest by 31st January 2018 which if endorsed would then result in an invitation to submit a full application later in the new year with a project start anticipated in summer 2018 and completion no later than the end of December 2019.

3. Relevance to equality, diversity, cohesion and integration

- **How have you considered equality, diversity, cohesion and integration?**
(**think about** the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

- **Key findings**
(**think about** any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

- **Actions**
