

SHEAF ST PARKLET

Visual illustrating the proposals for the Parklet using key branding references from Duke Studios. Colour and form enlighten the street scene and connect with potential art interventions in the future :

1 Max. 1.5m high timber clad screening

2 Porous screen to ensure visibility

3 Herbaceous perennials, grasses and herb planting for seasonal colour and interest

4 Informal timber deck seating to parklet modules

5 Painted pattern links the two areas of parklet and maintain access to doors

6 Linear paint links into art intervention proposed for crossing point to Tetley

7 Pattern and form repeated to provide strong visual link between modules

8 Geometric paint pattern creates visual link from Sheaf Street to Hunslet Road Parklet
