1.0 Purpose of this Report

- 1.1 To advise Members of an application made under Section 2 and Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (the Act) for the renewal of a sex establishment licence for the premises known as Liberte, 10 York Place, Leeds, LS1 2DS.

2.0 Background Information

- 2.1 In 2010 the Government introduced a new category of sex establishment called a “sexual entertainment venue”. This reclassified lap dancing clubs as sexual entertainment venues and gave local authorities the power to regulate such venues. The intention was to give local people greater say over the number and location of lap dancing clubs in their area.
- 2.2 In January 2011 the Council made a resolution to adopt the provisions of Schedule 3 of the Local Government (Miscellaneous Provisions) Act as amended by the Policing and Crime Act 2009, effective from 1st October 2011. The Council adopted its first Statement of Licensing Policy for Sex Establishments in September 2011.
- 2.3 All seven premises that provided sexual entertainment in the form of lap dancing which existed at that time were granted licences that came into effect on the 1st October 2012 and expired 30th September 2013.
- 2.4 Following the issue of these licences a review of the Statement of Licensing Policy took place. A working group was set up and a new policy was approved before Executive Board on the 17th July 2013, coming into effect on the 1st September 2013.
- 2.5 The Policy set that that the appropriate number of sexual entertainment venues in the city centre is a maximum of four providing these premises are not near properties with sensitive uses or in sensitive locations.
- 2.6 At the annual renewal hearings which took place in November 2013 with the determinations being delivered in December 2013, Members refused to renew the licences of three venues in accordance with the new Statement of Licensing Policy.
- 2.7 The renewal hearing for Liberte took place on 19 November 2013. After taking into consideration objections, Members determined to renew the sexual entertainment venue licence for a further 12 months.
- 2.8 The licence applicant at that time was TRL Promotions Ltd.

3.0 History of these Premises

3.1 These premises have held a licence under the Licensing Act 2003 for the provision of regulated entertainment and sale of alcohol since 28th January 2008. It is understood that lap dancing has been held at the premises since that time.

5.0 Objections

- 5.1 In considering any application for the grant of a licence the authority shall have regard to any observations submitted by the chief officer of police and any other objections received.
- 5.2 Any objections must be provided in writing to the authority, stating in general terms the grounds, and this should be provided no later than 28 days after the date of the application.
- 5.3 The Act imposes no pre-qualifications on who may object to an application nor is there any constraint on the grounds upon which objections can be made. Objections may be set out in general terms.
- 5.4 However, the relevant grounds on which the authority may refuse an application are that the grant or renewal of the licence would be inappropriate having regard –
- (i) to the character of the relevant locality; or
 - (ii) to the use to which any premises in the vicinity are put; or
 - (iii) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made

The full options available to Members are set out at paragraph 9.1 of this report.

- 5.5 One Objection has been received to this application. A copy of which is attached at **Appendix F**.
- 5.6 Members should note that objections may be accepted following the 28 day notice period. This is as a result of a case (Miss Behavin' Ltd v Belfast City Council) where the House of Lords held that while the Act required an authority to take account of objections lodged in time, it did have discretion to take into account late objections if these brought significant relevant information. At the time of writing this report all objections had been received within the notice period.

- 5.7 Parties will not be permitted to raise new matters in evidence at the hearing without the consent of all other parties.
- 5.8 No observations have been received from West Yorkshire Police concerning this application.

The Policy states that sensitive uses are:

- Schools and other areas of education
- Play area/parks
- Youth facilities
- Residential area
- Women’s refuge facilities
- Family leisure facilities such as cinemas, theatres and concert halls
- Places of worship
- Places used for celebration or commemoration
- Cultural leisure facilities such as libraries and museums
- Retails shopping areas
- Historic buildings

The Policy provides a list of sensitive locations:

- Millennium Square, Calverley Street
- City Square
- The area around the Combined Courts
- The Headrow, Eastgate
- East Parade, Park Row
- New Briggate, Briggate
- Albion Street, Woodhouse Lane

7.3 The Policy includes standard conditions to be applied to all licences. Members may decide on a case by case basis whether any of the conditions may be dispensed with, added to or modified.

7.4 The standard conditions as set out in the current Policy may be found at **Appendix G**.

8.0 Other Matters Relevant to the Application

8.1 A sex establishment licence will remain in force for up to one year, or for a shorter period should the licensing authority think fit.

8.2 Where, before the date of expiry of a licence, an application has been made for its renewal, it shall be deemed to remain in force notwithstanding that the date has passed until the withdrawal of the application or its determination by the appropriate authority.

9.0 Options Available to Members

9.1 The licensing sub-committee in considering the application under Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 may take any of the following steps it considers necessary:

- Grant the application as requested attaching the standard conditions.
- Grant the application whilst imposing additional conditions and/or altering the standard conditions (or altering in any way the proposed application).
- Refuse the application on the following mandatory grounds;
 - if the applicant is under the age of 18,
 - if the applicant has a disqualification following the revocation of their licence
 - if the applicant is not-resident in an EEA state,
 - if the applicant is a company not incorporated in an EEA state,
 - if the applicant has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the applicant is made, unless the refusal has been reversed on appeal.
- Refuse the application on one or more of the following discretionary grounds:
 - That the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reasons;
 - That if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
 - That the number or sex establishments or of sex establishments of a particular kind, in the relevant locality at the time the application is made is

equal to or exceeds the number which the authority consider is appropriate for that locality;

- That the grant of renewal of the licence would be inappropriate, having regard:
 - To the character of the relevant locality; or
 - To the use to which any premises in the vicinity are put; or
 - To the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made

9.2 In paragraph 9.1 “the relevant locality” means:

- In relation to premises, the locality where they are situated; and
- In relation to a vehicle, vessel or stall, any locality where it is desirable to use it as a sex establishment
