Does the report contain confidential or exempt information? If relevant, Access to Information Procedure Rule number: Appendix number:	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No

1 Purpose of this report

- 1.1 The purpose of this report is to introduce a range of information relating to Delayed Transfers of Care across the Leeds Health and Care System.

2 Main issues

- 2.1 As a topic area, Delayed Transfers of Care has been identified as a specific area for consideration as part of the Scrutiny Board's work schedule for 2017/18.
- 2.2 To assist the Board's consideration, a range of information is appended to this report, as follows:
- Delayed Transfers of Care (DToC) report to Leeds Health and Wellbeing Board – 23 November 2017 (Appendix 1)
 - Leeds Health and Care Local System Delivery Plan 2017- 18 (Appendix 2)
 - Adult Social Care Outcomes Framework Indicators, including performance data on DToC (Appendix 3)
- 2.3 To further assist the Scrutiny Board's consideration of the information presented, the relevant extract from the draft Health and Wellbeing Board minutes from the meeting held on 23 November 2017 is provided below:

The Board received a joint report for information from the Chief Officer Resources & Strategy, LCC Adults & Health and the Director of Commissioning, Strategy & Performance, NHS Leeds CCGs which

provided a brief overview of Delayed Transfers of Care (DTOC) and non-elective admissions.

Sara Munro, Leeds and York Partnership NHS Foundation Trust, reported that as part of the ongoing work to ensure that the data sets provided are achievable and give an accurate baseline; a correction had been identified. The Board supported the suggestion that a letter be submitted from the Health & Wellbeing Board to NHS England to challenge the current baseline and include support for a revised baseline for Leeds. It was agreed that a letter would be drafted and circulated for comments from members prior to its submission.

RESOLVED -

- a) To note the definition of Delayed Transfers of Care (DTOCs).*
- b) To note the impact on the system of high levels of DTOCs.*
- c) To note the level of improvement required to deliver the 3.5% iBCF target.*
- d) To note the challenges and risks faced by the Health and Care System partners in Leeds associated with delivery of the agreed iBCF trajectory.*
- e) To note issues associated with DTOC baselines and trajectories with assessment of position and proposed approach to changes to be reported back to HWB.*
- f) To note the intention for a letter to be submitted to NHS England from the Health & Wellbeing Board challenging the current data baseline and including support for a revised baseline for Leeds. A draft letter will be submitted to Board Members for comment prior to submission to NHS England.*

- 2.4 Representatives from across the range of organisations making up Leeds Health and Care System have been invited to attend the meeting to assist the Board in its consideration of the information presented in this report and the associated appendices. .

3. Recommendations

- 3.1 The Scrutiny Board (Adults and Health) is asked to consider the information provided and determine any further scrutiny actions and/or activity.

4. Background papers¹

None used

¹ The background documents listed in this section are available to download from the Council's website, unless they contain confidential or exempt information. The list of background documents does not include published works.
