

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

- The regional adoption agency (RAA) ‘One Adoption West Yorkshire’ commences on 1st April 2017, hosted by Leeds City Council.
- The five Local Authorities (Calderdale, Bradford, Leeds, Kirklees & Wakefield) within the agency have transferred the appropriate budget to LCC to cover the costs of the regional arrangements.
- A piece of work was required to ensure all externally commissioned contracts held with the five Local Authorities sit with LCC as part of the regional arrangements.
- It was agreed for the interim period (2017/18) that all contracts would transfer to LCC on the current arrangements. During 2017/18 a review will be undertaken, led by the Commissioning & Market Management team in conjunction with One Adoption West

Yorkshire

- There is no change to the delivery of these contracts and therefore no change to equality implications.
- The decisions are to seek permission to establish a 12 month agreement with Link Maker in line with contract procedure rules.

If you can demonstrate you have considered how your proposals impact on equality,

diversity, cohesion and integration you have carried out an impact assessment.

Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?** (think about the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

- **Key findings** (think about any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

- **Actions** (think about how you will promote positive impact and remove/ reduce negative impact)

5. If you are not already considering the impact on equality, diversity, cohesion and integration you will need to carry out an impact assessment.
