Good Morning Stephanie,

Thank you for getting back to me. Apologies if it appears some of the conditions are duplicated, some of the conditions proposed are taken from the form V7, I believe they make some of the conditions a little clearer and bring the CCTV in line with the Home Office standards.

The 31 day capacity for CCTV is a guideline set by the Home Office, I have attached the document stating these guidelines. We would prefer 31 day retention of footage, however, as Papaya is a food led premises and due to the conditions in place, we would be willing to allow the 28 days on this occasion.

I am grateful we have reached an agreement, once we have received the signed part 2 we shall then withdraw the police representations.

Kind Regards,

Natasha Forrest

Further to your e-mail of the 20th March 2018 the Applicant is happy to comply with the requested Conditions, however the existing CCTV has a 28-day capacity as against the requested 31-day capacity, so we would be grateful if this could be amended.

Please also note that there is some duplication in terms of the requested additional Conditions and those already to be found in the Operating Schedule accompanying the original application

Kind regards

Stephanie
