

NRF Projects Working in South Leeds, 2007/08

Project	Organisation	2007/08 Allocation	Project Summary
Aire Valley Leeds - Employment Access Team	Aire Valley Leeds	£57,000.00	To match the existing and emerging employment opportunities in Aire Valley Leeds (AVL) with the employment and training needs of communities in Inner East, North East & South Leeds, identified in the respective District Action Plans and the Regeneration Plan as the worst 5% for Employment and Training Deprivation.
Active Health Programme	Belle Isle Family Centre	£95,390.00	This project provides joint physical activity opportunities and lifestyle advice, delivered in partnership by health professionals and community workers.
Developing Cohesive Communities	Education Leeds	£138,300.00	This project aims to narrow the achievement gap between underachieving BME students and the Leeds average, through delivering packages of activities for new arrivals, delivering training for school staff and students, and developing networks to share good practice between schools.
Developing Healthy Communities	Education Leeds	£142,070.00	This project aims to improve health behaviours of children and young people by rolling out the Advanced Healthy Schools Standard at national status.
Developing Learning Communities	Education Leeds	£639,000.00	This project provides a range of study support activities including the city learning centres and study support centres, e.g. at Elland Road and the White Rose Shopping Centre.
Forest Schools	Groundwork Leeds	£43,253.00	This project provides a proactive approach to reach children early before they become entrenched non-attenders. School children aged 11-12 (Year 7) visit a woodland over a period of weeks and take part in a variety of exciting educational activities and tasks. Supported by trained staff, they learn to develop confidence in their social and academic abilities.
Motiv8	Groundwork Leeds	£55,284.00	The Motiv8 project works with young people (13-14 years old) who have behavioural problems, difficult family circumstances and poor attendance records. A structured programme of practical activities improves basic skills and provides opportunities to gain training, accreditation and qualifications. Motiv8 enables young people to work as a team to create and contribute to positive environmental improvements in their local communities.
Groundwork Green Doctor & CASAC Safer Living	Groundwork Leeds & CASAC-Leeds	£100,000.00	'Green Doctor' will work with CASAC to provide workshops for tenants and residents groups and free visits to low-income and elderly households in priority wards in Leeds. The project will focus on fuel poverty as well as energy and environmental issues, such as recycling and water-use using, a combination of technical and non-technical measures. The project will complement existing support services, linking with CASAC Burglary Reduction (CBR). At present CBR Safety Engineers attend domestic properties upgrading security measures and providing community safety messages. Safer Living will provide resource to assess properties and increase grant uptake and householder energy-saving practices relating to fuel poverty issues.
Tackling Health Inequalities	Hamara	£54,998.00	This project aims to develop and sustain a programme of activities to improve the health of disadvantaged communities, particularly in relation to Coronary Heart

ITEM 7 – appendix 2

Project	Organisation	2007/08 Allocation	Project Summary
			Disease (CHD), young people's health issues and initiatives to encourage more active communities.
Four out of Ten	Learning Partnerships	£200,000.00	This project will provide an excellent teachers scheme to share good practice, academic mentors for borderline students and learning clubs.
The Job Zone	Learning Partnerships	£650,000.00	The Job Zone targets people living in greatest areas of need, providing supported pathways into employment, building on the work of the Learning & Skills Council-funded Learning Zone. This is a partnership project with the East, Inner North East and South Leeds District Partnerships Worklessness groups.
Leeds Ahead	Leeds Ahead	£53,962.00	This project secures private sector resources to support practical delivery on neighbourhood renewal projects, related to employment outcomes.
Tackling Anti-Social Noise Incidents in Leeds	Leeds City Council, Environmental Health	£226,970.00	This project provides a city-wide night-time noise service, with priority given to complaints received from the most deprived Super Output Areas. Promotional activities will be aimed at educating the public about noise and its adverse effects on health.
Jobstart	Leeds City Council, Jobs & Skills	£783,205.00	The project provides a menu of services to provide a customised entry route to employment, based on the individual needs of the beneficiary.
Leeds Incapacity Employment Project - Area Ambassadors	Leeds City Council, Jobs & Skills	£93,000.00	Working closely with GP surgeries, primary care workers and the voluntary sector, this project will engage with employers to provide work opportunities and support people from incapacity benefit into sustained employment.
Leeds Incapacity Employment Project - Musculoskeletal Programme	Leeds City Council, Jobs & Skills	£114,240.00	This project supports people on incapacity benefits to manage their condition so they can re-engage and return to work.
Film Academy	Leeds City Council, Leeds Film	£77,408.00	This project provides a year-long out-of-hours programme for disaffected young people linked into the Leeds Film Festival.
Cleaner Cities - Parks	Leeds City Council, Parks & Countryside	£299,913.00	The project will engage with communities in the deprived areas of the city to deliver greenspace improvements. This will include carrying out intensive neighbourhood environmental clean-ups using local employed and trained individuals, working in partnership with the VFCS and other bodies to make physical improvements within the areas, leading to 'In Bloom' status for each neighbourhood, and enforcing good environmental practice.
Area Regeneration Teams - South	Leeds City Council, Regeneration Service	£201,100.00	This project will safeguard the work of a dedicated regeneration delivery team in South Leeds. The team will plan and implement area-based regeneration programmes.
Leeds Neighbourhood Wardens	Leeds City Council, Regeneration Service	£593,956.00	This project supports the provision of Neighbourhood Wardens to provide community reassurance, a reduction in anti-social behaviour and improvements in the liveability of the area.
Strategic Coordination and Implementation Partnership (SCIP)	Leeds City Council, Regeneration Service	£332,000.00	This project will provide a leadership and governance function to support the Local Strategic Partnership and a comprehensive programme management function to manage external funding. This will ensure resources are maximised and targeted to achieve the City's priorities.

ITEM 7 – appendix 2

Project	Organisation	2007/08 Allocation	Project Summary
Cleaner Cities - Enhancing the Streetscene	Leeds City Council, Streetscene Services	£2,599,873.00	This project is focused on creating streets that are clean, safe, attractive and accessible, and that are capable of being able to contribute the city's aspirations of being awarded the status of Britain's Cleanest City. The project will also engage with communities in the deprived areas of the city to deliver greenspace improvements. The project will be delivered through partnership working between Leeds City Council and the voluntary and community sector.
Connexions Youth Project	Leeds City Council, Youth Service	£236,467.00	This project provides personal advisor support to disaffected and hard to reach young people, resulting in the development of individual learning plans.
Sport Academy	Leeds City Council, Youth Service	£35,700.00	This project provides sports-based accredited training and qualifications for disaffected young people, giving them the skills, knowledge and confidence to gain employment or go on to further education in the sport and recreation field.
Youth Service Sexual Health Link Project	Leeds City Council, Youth Service	£110,966.00	This project aims to continue to develop and deliver innovative sex and relationship educational approaches and methods of working to ensure that young people have access to user-friendly and appropriate information, guidance, help and services to address a full range of sexual health needs.
Strategic Coordination and Implementation Partnership (SCIP)	Leeds Initiative	£80,000.00	This project will provide a leadership and governance function to support the LSP and a comprehensive programme management function to manage external funding. This will ensure resources are maximised and targeted to achieve the City's priorities.
Support to Employment Project (STEP)	Leeds Mind	£79,984.00	The project provides specialised support to enable people with mental health problems to engage with mainstream employment-related vocational activities and employment opportunities.
'All Being Well' Market Stall project	Leeds Primary Care Trust	£36,530.00	This project will deliver activities that will improve health and well-being, reduce health inequalities and narrow the gap in life expectancy through the operation of a drop-in health and well-being advice centre from a market stall in Kirkgate Market. Activities will include cookery demonstrations and engaging market traders in delivering the 5 a day message.
Engaging Inactive Children and Communities in South Leeds	Leeds Primary Care Trust	£51,000.00	The project aims, through partnership work, to improve health and wellbeing by increasing activity levels of children and their communities in deprived areas of South Leeds.
Leeds Health Trainers	Leeds Primary Care Trust	£101,550.00	The Health Trainer programme trains local people to work with local people, primarily those not in contact with services, supporting them to succeed in making health changes. In Leeds we aim to develop a programme which will deliver through the VCFS, as well as other partners in the future, e.g. prisons.
The Leeds 5 A Day Project	Leeds Primary Care Trust	£84,540.00	This project will increase access to and availability of fruit and vegetables, and increase consumption within lower socio-economic groups in Leeds, particularly targeting those disadvantaged communities who experience the highest incidence of coronary heart disease (CHD) and cancer.
Local People Into Construction	Leeds re'Build	£155,794.00	This project supports local residents to access employment opportunities in the construction sector.

ITEM 7 – appendix 2

Project	Organisation	2007/08 Allocation	Project Summary
Re Engage with the Rhinos	Leeds Rugby Foundation	£59,600.00	The 'Re Engage' project is a sports educational programme that uses the 'power of sport' along with the brand and authority of Leeds Rhinos to provide inspiration and motivation for up to 300 disillusioned and disadvantaged young people, leading to positive changes and increases in school attendance, attitude and behaviour.
Community Empowerment Network	Leeds VOICE	£334,933.00	The main aim of this project is to sustain, support and develop the Community Empowerment Network in Leeds, in order to facilitate appropriate representation of the VCFS throughout the Leeds Local Area Agreement and Leeds Initiative structures.
Youth Crime Prevention	Leeds Youth Offending Service	£50,000.00	This project seeks to reduce year-on-year the number of first time entrants to the youth justice system. A youth crime prevention manager will have responsibility for driving through the youth crime prevention strategy that is currently being produced for the City.
Leeds Welcome Project	RETAS	£108,956.00	This project supports refugees to enable them to access employment opportunities at an appropriate level for their skills and qualification level, for example health professionals.
Acquisitive Crime Reduction	Safer Leeds	£350,000.00	The project aims to support the reduction of acquisitive crime, with emphasis on domestic burglary and repeat offences. Activities include target hardening, alley-gating, publicity and promotion, and comprehensive home security measures.
CCTV - LeedsWatch Local and Mobile CCTV Vans	Safer Leeds	£253,000.00	This project supports the enhanced provision of LeedsWatch Local and Mobile CCTV vans. This also includes the contribution of CCTV to multi-agency operations.
Community Safety Commissioning	Safer Leeds	£1,080,000	A range of activities will be commissioned through an evidence-based process to address the key activity areas of burglary, criminal damage, vehicle crime, violent crime and offender management.
Drugs Intervention Project Referral Support	Safer Leeds	£112,000.00	The project will provide additional capacity within the DIP Arrest Referral Team to meet demand as a result of the introduction of 'Follow Up Assessments' as part of the DIP process. Follow Up Assessments give additional opportunities to engage positively with offenders, and increase the numbers entering into the treatment system to help address the causes of their behaviour.
Intensive Neighbourhood Operations	Safer Leeds	£734,112.00	This project will support drug enforcement and sustained police operations in key neighbourhoods to combat crime.
Leeds Anti Social Behaviour Unit	Safer Leeds	£1,159,780.00	This project will work alongside partner agencies to provide an effective response to tackling anti-social behaviour, through diversionary activity and enforcement.
Police Community Support Officers	Safer Leeds	£151,350.00	This project contribute to the reduction of Crime and Disorder (including ASB) within the city of Leeds, by providing a visible presence on the street. PCSOs patrol, gather intelligence, reassure the public and assist in the prevention of crime.
Signpost Project	Safer Leeds	£183,600.00	This project seeks to reduce anti-social behaviour in the worst affected neighbourhoods by targeting young people who are causing the most problems,

ITEM 7 – appendix 2

Project	Organisation	2007/08 Allocation	Project Summary
			through intensive work with both the individual and the family.
Healthy Lifestyles and Exercise Project (HELP)	South Leeds Health for All	£88,000.00	This is a partnership project working in the south, east and north west of Leeds, building on and expanding the existing, successful Healthy Lifestyles project. It will engage primarily BME older people through the provision of physical activity, healthy eating and smoking cessation groups and individual Lifestyle Change counselling sessions within community settings.
Learning in the Community	South Leeds Health for All	£76,573.00	This project will engage local community groups within South Leeds with educational and employment opportunities in the area to increase skills and employment.
Year 8/9 Inclusion Project aka Link	St Lukes CARES	£27,225.00	The project assists in the improvement in the level of attendance of Year 8 and Year 9 students in South Leeds secondary schools, by provision of community-based alternative education designed to encourage and enable previous non-attendees with their return to education.
Healthy Activities in Inner East Leeds	St Vincent's Support Centre	£44,657.00	The project aims to improve the health and wellbeing of disadvantaged people living in inner East Leeds through the provision of healthy, affordable meals in a community café, the delivery of healthy living activities to local people including cookery, nutrition, budgeting, volunteering and food hygiene courses and by raising awareness of health risks through promotional activities.
Beeston and Holbeck Community Radio	Vera Media	£95,546.00	This project supports the educational attainment of young people and non-traditional learners through accredited training linked to the development of a community radio station in Beeston and Holbeck.
Leeds Arson Task Force	West Yorkshire Fire & Rescue Service	£160,000.00	This project will reduce the incidence of deliberate fires, car crime, violent attacks on firefighters and arson-related anti-social behaviour within the Leeds areas containing the top 3% of the most deprived Super Output Areas in the country, through educational, environmental and enforcement activities.
