Notes:

- The revenue well being base budget allocation reflects a 2% inflationary uplift on last year's figures
- 'Carry forward from 07/08' represents the balance of what was not actually spent in 07/08. In some cases Area Committees may have already made allocations against this amount and spend will take place in 08/09 on it.
- The 'total available to allocate' revenue figures represent the amounts for Area Committees to allocate to local priorities over the course of the year (assuming that none of the carry forward amount is already allocated). As in previous years, it is assumed that not all the allocation will be actually spent within the financial year. For budget management purposes it is assumed that £250k will be carried forward into the next financial year. This will be monitored by Officers in Environment and Neighbourhoods over the course of the year.
