

**Area Committee Well-being Fund – Project Proposal**  
**Outer West Area Committee**

**Project Name:** In Bloom campaigns for Calverley, Farsley & Pudsey

**Lead Organisation:** Pudsey In Bloom

**Project Summary:**

The project aims to provide floral displays in Calverley, Farsley and Pudsey centres. It is hoped the Pudsey scheme will include adding hanging baskets to Pudsey town hall, revamping tired shrub beds and possibly replacing damaged benches.

**Outcomes (please summarise the main outcome / output / benefit the project will achieve):**

The contribution will add value to floral displays and link in with wider In Bloom displays across Leeds.

The funding will allow the Pudsey in Bloom group to decide where they feel, in the Town Centre, would most benefit from extra floral designs. They should also be placed strategically along the In Bloom judging route as agreed by the In Bloom groups in order for the funding to benefit the judging.

The displays will be maintained and watered by Parks and Countryside.

**Outcomes (summarise the main outcome/output/benefit the project will achieve):**

- Environmental improvements to Calverley, Farsley and Pudsey.

**Identify which geographic areas will benefit and which Area Committee (Inner or Outer) you are applying to:**

The project will benefit Calverley, Farsley and Pudsey.

**Project Cost. Please indicate how much the project will cost (please list all partners and their contributions)**

The total cost of the project is £10,000. This includes £4,000 for the Pudsey scheme and £3,000 each for the Calverley and Farsley schemes. The Pudsey element is slightly higher due to the fact that the town hall is now included in the scheme.
