## **Action Tracker Guidance**

## **Introduction**

The 'Action Trackers' are prepared on a half yearly basis and are intended to give an organisational 'snapshot' view of the progress against the city's top level priorities as set out in the Leeds Strategic Plan and Council Business Plan. They provide a broader range of information and progress than is provided in the performance indicator results alone. Each improvement priority within the Leeds Strategic Plan and Council Business Plan has been allocated to a **Lead Officer** whose role is to provide leadership, co-ordinate the activities of contributing officers/partners and evaluate the performance information to ensure the delivery of the improvement priority. An action tracker has been completed for every improvement priority by the Lead Officer who has provided an overall evaluation of progress to date.
