1.0 INTRODUCTION

1.1 At its meeting on 8 October 2008, the Executive Board received an update on the work undertaken in Leeds to prepare for the personalisation agenda, since the publication of the concordat “Putting People First” in December 2007. At that meeting, the Executive Board resolved:

- (a) That progress made in Leeds towards the development of a more personalised system of social care through the Self Directed Support project and other initiatives be noted.
- (b) That, acknowledging the scale and scope of the transformation agenda and the challenge it presents, the approach taken in Leeds to deliver successful change be endorsed.
- (c) That the direct engagement of elected members in these developments be continued by the submission of further reports to this Board, involvement in workshops, seminars, conferences and in the recently established members’ forum.
- (d) That the Board notes the impact Self Directed Support will have on existing service provision including directly provided services and commissioned services in Leeds and the need to accelerate the transformation of these services to meet the challenges and impact of personalisation and customer choice.
- (e) That it be noted that progress and the pace of change regarding the delivery of Personalisation in Leeds will be the subject of some detailed feedback from the recent inspection of Older People’s Services.
- (f) That the Scrutiny Board (Health and Adult Social Care) be requested to monitor progress of the personalisation agenda.

- 1.2 The report presented to the Executive Board on 8 October 2008 is appended to this report for information.
- 1.3 To assist the Board in monitoring progress of the personalisation agenda, in line with the Executive Board request, the Board requested a scoping paper be presented for discussion. 4.0 Personalisation Working Group

The Personalisation Task Group was established in September 2008 as a mechanism for elected members to:

- receive information
- be consulted on the discharge of relevant delegated authority relating to the modernisation of Adult Social care and Self Directed Support services

The group has now been disbanded following the establishment of the Scrutiny Board inquiry and the Personalisation Working Group.
