Dear Mr Grieve,

Following our telephone conversation, I would formally like to request approval to make representation at the next meeting of the Admissions Forum on 1<sup>st</sup> October 2009 at 4.00 p.m. I am writing on behalf of Colton Primary School, Austhorpe Primary School, Swillington Primary School and Woodlesford Primary School. We all wish to discuss concerns relating to the continued migration of children from our Primaries to Primaries within the School Partnership Trust. The main reason for children moving is to improve their chances of gaining admission to Garforth Community College under acceptance criteria 3 of their current admissions policy. We would like to discuss the impact of this on our pupil numbers and subsequent funding and question the fairness and transparency of this in light of the principles surrounding admissions.

We intend to represent our respective schools in numbers of approximately 2/3 from each and are happy to elect a spokesperson to act on our behalf at the Forum.

I look forward to hearing from you.

Yours sincerely

Liz Armstrong  
Vice Chair of Governors  
Colton Primary School
