Finally, the report requests the Committee to recommend an amendment to the Officer Delegation Scheme (Council (non-executive) Functions) to create a delegation of Council function to the Chief Economic Development Officer with regard to the licensing of market and street trading. 1.0 Purpose Of This Report

- 1.1 This report advises of a number of amendments made by the Leader of the Council to the Officer Delegation Scheme (Executive Functions) together with minor consequential amendments made by the Assistant Chief Executive (Corporate Governance).
- 1.2 The report requests that the Committee recommend to Full Council a further amendment to the Officer Delegation Scheme (Council (non-executive) Functions) to create a concurrent delegation to the Chief Economic Development Officer in relation to the licensing of markets and street trading.

2.0 Background Information

- 2.1 Under Executive Procedure Rule 1.4, the Leader may amend the scheme of delegation relating to executive functions, at any time, by giving notice to the Assistant Chief Executive (Corporate Governance) and to the person, body or committee concerned.
- 2.2 The Assistant Chief Executive (Corporate Governance) must then present a report to the next ordinary meeting of full Council, setting out the changes made by the Leader.

3.0 Main Issues

3.1 Amendments Made By the Leader

- 3.1.1 On 28th January 2010, the Leader amended the Officer Delegation Scheme (Executive Functions) with effect from 24th February 2010. The date on which the amendments are to take effect was chosen to reflect the date of the next meeting of Full Council in order that the amendment proposed in this report could take effect on the same date.
- 3.1.2 The amendments created two new concurrent delegations to the Chief Asset Management Officer and the Chief Economic Development Officer. These are set out at Appendix 1a and 1b to this report. Both are concurrent with delegations to the Director of City Development.
- 3.1.3 Consequential upon the creation of these concurrent delegations the Assistant Chief Executive (Corporate Governance) made a number of minor amendments to the following parts of the Constitution :-
 - Article 12 of the constitution, (which sets out the functions and areas of responsibility for Directors and Chief Officers with concurrent delegations);
 - Part 3 Section 2B - Scrutiny Board Terms of Reference (to reflect the revised delegations only);
 - Part 3 Section 3B(a) – Executive Member portfolios (to reflect the revised delegations only); and
 - Part 7 - management structure.

3.1.4 In addition the Leader made minor amendments to the concurrent delegations in place to the Chief Libraries Arts and Heritage Officer and the Chief Planning Officer. The amended delegations are set out at Appendices 1c and 1d to this report.

3.2 Amendments Required By Full Council

3.2.1 The Leader's delegation to the Chief Economic Development Officer (set out at Appendix 1b) followed from the appointment of that officer by the Employment Committee on 27th January 2010.

3.2.2 In addition to those executive functions it is necessary to make a delegation to the Chief Economic Development Officer in relation to a Council Function. This proposed further delegation within the Officer Delegation Scheme (Council (non-executive) Functions) is also a function which has already been delegated to the Director of City Development and will be a concurrent delegation. The proposed amendment is set out at Appendix 2 to this report and relates to the licensing of market and street trading.

3.2.3 As it relates to a Council Function this delegation has to be made by full Council and should therefore be recommended by the General Purposes Committee. This Committee is therefore invited to resolve to recommend the proposed amendment as set out at Appendix 2 to this report.

4.0 **Implications For Council Policy And Governance**

4.1 Under its Code of Corporate Governance, the Council is committed to ensuring that the necessary roles and responsibilities for the governance of the Council are identified and allocated, so that it is clear who is accountable for decisions.

5.0 **Legal And Resource Implications**

5.1 In accordance with the Local Government Act 2000 the Council is required to prepare a constitution and keep it up to date. The proposed amendment set out in this report will ensure that the Constitution accurately reflects the decision making accountability in the Council.

6.0 **Conclusions**

6.1 A number of amendments have been made to the Officer Delegation Scheme (Executive Functions) by the Leader of the Council with effect from 24th February 2010.

6.3 General Purposes Committee is requested to recommend an amendment to the Officer Delegation Scheme (Council (non-executive) Functions) to create a delegation of Council function to the Chief Economic Development Officer with regard to the licensing of market and street trading.
