Call In Details set out in the
report

Executive Summary

This report presents the updated Outer North West Area Delivery Plan (ADP) for 2010-11 for approval. The report informs Members of the proposed content and format of the ADP and provides detail of how it will link with the Leeds Strategic Plan.

1.0 Purpose Of This Report

1.1 The report seeks to inform Members of the content and format of the Area Delivery Plan (ADP) for 2010-2011. (Appendix 1) The report provides an overview of how the ADP will link with the Leeds Strategic Plan. Members are asked to approve the contents of the draft plan.

2.0 Background and Main Issues

2.1 The 'Corporate Planning Framework – A One Council Approach' September 2007 states that ADPs would set out how an area contributes to achieving strategic outcomes and improvement priorities as set out in the Leeds Strategic Plan and the Thematic Priority Plans.

2.2 The ADP for 2010–11 has been developed following the headings contained within the Vision for Leeds (which all have specific implications for equality and diversity, community cohesion and narrowing the gap) and will be a local expression of the

city's commitment to the Local Area Agreement and partnership working. The strategic themes are:

- Culture
- Stronger Communities
- Enterprise and Economy
- Transport
- Environment
- Health and Wellbeing
- Thriving Places
- Learning and Young People

2.3 Members agreed at the April 2008 Area Committees to endorse the principle of utilising future Area Committee sub group meetings to brief members on partnership working and progress with the delivery of the ADP in Outer North West Leeds.

3.0 Implications for Council Policy and Governance

3.1 Members have been consulted and involved in the process of collecting information regarding the Area Delivery Plan through existing Area Committee subgroups. There are further opportunities throughout the year to enhance and contribute to the plan.

3.2 The Area Management Team and its partners will be responsible for driving forward the delivery of the Area Delivery Plan.

3.3 Once approved by the Area Committee, the plan will be submitted to the Executive Board for its endorsement.

4.0 Legal and Resource Implications

4.1 There are no specific legal implications, however resource implications will be accommodated by the Well-being Budget and the Area Management Team and its partners.

5.0 Conclusions

5.1 The new planning framework within which the ADP sits, will provide a more coherent and effective planning process. In turn, the role of the ADP will be strengthened as a tool to steer actions in the Outer North West area.

6.0 Recommendations

6.1 The Area Committee is asked to consider the draft Area Delivery Plan as set out at Appendix 1.
