

NEET and Not Known Breakdown - December 2009 Figures

It should be noted that these figures will not include young people who are in education or training in Leeds and not resident in Leeds, those young people are included in the headline figures for the authority.

If a young person's address is unknown it is recorded as the Connexions Centre. This means the large number of young people in the city centre does not reflect the number of young people who actually live in the city centre.

Errors in the recording of postcode on the Connexions database mean there are a number of young people who can not be matched to a ward. For this reason these figures should be viewed as indicative.
