**Scrutiny Board (City Development)**

**Date: 6th April 2010**

**Subject: Public Buildings and Reducing CO2 Emissions**

---

**Electoral Wards Affected: All**

**Specific Implications For:**

Equality and Diversity

Community Cohesion

Narrowing the Gap

---

**1.0 Introduction**

1.1 At the last Scrutiny Board meeting Members considered the attached report of the Director of City Development on climate change with an emphasis on evaluating options for installing LZC (Low and Zero Carbon) energy as part of the corporate estate, with a focus on small medium and large scale projects.

1.2 The Board asked for a further report giving details of the work which has been carried out to our public buildings to reduce carbon emissions.

**2.0 Director of Resources**

2.1 The report of the Director of Resources who is responsible for our public buildings has submitted the attached report for consideration of the Board.

**3.0 Recommendations**

3.1 The Scrutiny Board is asked to comment on and note the report of the Director of Resources and determine what, if any, further information the Board requires.
