Well Being Fund late item

The following application is being submitted as a late item.

Boston Spa in Bloom Planters, £2750 (Wetherby Ward)

The grant will be used to provide 4 planters for the centre of the village to replace 2 rather tired and inadequate units. The aim is to create an attractive feature at the heart of the village to enhance its appearance in sympathy with the regeneration of the millennium gardens across the road.

The total cost of the project is £3350, and the group are applying for £2750 from the area committee.

ADP Theme: Harmonious Communities. Priority H1: Encourage local community groups and residents to participate in environmental improvement projects within their local neighbourhoods.
