Vision for Scrutiny at Leeds

"To promote democratic engagement through the provision of an influential scrutiny function which is held in high regard by its many stakeholders and which achieves measurable service improvements which add value for the people of Leeds through a member led process of examination and review"

To achieve this Scrutiny will follow the nationally agreed 'Four Principles of Good Scrutiny';

1. Provide 'critical friend' challenge to decision makers, through holding them to account for decisions made, engaging in policy review and policy development;
2. Promote Scrutiny as a means by which the voice and concerns of the public can be heard;
3. Ensure Scrutiny is carried out by 'independent minded' Board members;
4. Improve public services by ensuring reviews of policy and service performance are focused.

To succeed Council recognises that the following conditions need to be present;

- Parity of esteem between the Executive and Scrutiny
- Co-operation with statutory partners
- Member leadership and engagement
- Clarity and focus of purpose
- Genuine non-partisan working
- Evidence based conclusions and recommendations
- Effective dedicated officer support
- Supportive Directors and senior officer culture
