**Executive Summary**

This report provides Members of the Area Committee with an overview of the performance of the North East Divisional Community Safety Partnership and ward based Neighbourhood Policing Teams. It will also include details of the key initiatives that have been delivered in local communities to reduce crime and disorder. The report focuses on the period 1 April 2009 to 31 March 2010.

1. **The purpose of this report is to:**

- Update Members on progress and outputs of the Area Management Tasking Arrangements
- Report on Thematic Sub Groups and activities
- Report on the Performance of the NE Police Division and partnership
- Summary of ward crime statistics, public confidence and user satisfaction
- Report on multi agency 'Operation Champions'
- Report on agreed community initiatives funded via Proceeds of Crime confiscations (POCA).

**Update on the structure of the North East Police Divisional Community Safety Partnership and Neighbourhood Management Tasking Arrangements**

2. The Divisional Community Safety Partnership (DCSP) Strategic Plan 2008-11 continues to be the framework upon which the DCSP will develop activity and manage performance against strategic outcomes of the city, Safer Leeds Strategy 2008–11 and the Area Delivery Plan. We are currently awaiting ratification on performance targets from Safer Leeds for 2010/11. Attached is a brief of final Divisional targets (09/10) based on actual outturns (see Appendix A) and Divisional targets set for 2010/11.
3. The neighbourhood management tasking teams continue to meet every six weeks and are now firmly embedded into agencies day to day business. The Divisional Intelligence Unit continue to produce 6 weekly reports for each of the 11 tasking teams which now include data from West Yorkshire Fire Service and Leeds City Council's Graffiti and Needle team. Members continue to attend and support the neighbourhood management tasking process.
4. Attached is an updated structure chart of the North East DCSP (see Appendix B) with details of the relevant lead officers.
5. A review took place around multi-agency operations 'Operation Champion' across neighbourhoods and how it would be delivered during 2010. It was agreed that each Neighbourhood Policing Team (8) would have a **minimum** of 1 day of action per 6 weekly tasking cycle. Where there are 2 neighbourhood management tasking teams this would be alternated. An agreement was taken that the planning of the operations would be devolved to the Neighbourhood Police Team Inspectors and agency co-chairs with support from the Community Safety Co-ordinator and the Safer Leeds Project Officer. In order to work more efficiently and reduce demand on staff resources, the operations would be planned around the 6 weekly tasking meeting. The area of focus is agreed using the analysis to identify areas of concerns and can be influenced by other data and partner agencies. A themed approach has been adopted, for example, burglary dwelling, offender management, reassurance, public confidence and satisfaction.

6. A time table has been produced for 2010 to maximise opportunities in accessing external partners such as customs & excise, DVLA and city wide resources (see Appendix C). Please note that on occasions these dates may change due to operational demands or unforeseen circumstances.

### **POCA**

7. The North East Police Division allocated to the DCSP £24K in February 2009 funding that had been confiscated from criminals through the Proceeds of Crime Act. This was to support local groups with community projects/activities which help deliver local priorities and actions against strategic outcomes. In June 2009 a further £26k was allocated to be spent by the end of March 2010. During the period June 2009 to 31 March 2010, 149 applications have been processed. We have been successful in allocating and spending the £50k and are currently awaiting further allocations for 2010. In addition we have received several e-mails of thanks from local groups. Information about the awards have been communicated via neighbourhood management quarterly newsletters and some media articles (see Appendix D which provides a summary of allocations in the Outer North East committee area).

### **Public Confidence and Satisfaction**

8. Operation Confidence commenced in February 2009. The overall objective of the initiative was to increase public confidence in neighbourhood policing and partnership work. The North East Police Division produced 11 newsletters highlighting partnership activity undertaken by the neighbourhood management tasking and the neighbourhood policing teams. The leaflets, 128,000 in total, were hand delivered by Police Community Safety Officers (PCSO's) over a 6 week period every quarter. On average the PCSO's engaged face to face with one in four persons. Overall feedback we have received has been positive from community members. During the year, performance data from the police has highlighted an increase in public confidence in the police and how to contact NPT's. The DCSP has agreed to continue with Operation Confidence during 2010/2011 but to reduce from quarterly to three times a year. Discussions are currently underway with regards to joint funding from Safer Leeds, East North East Homes, Aire Valley Homes and North East Police Division and currently investigating ways of increasing public confidence in the Council and Police working together.
9. A very positive year for the North East Police Division and DCSP in relation to achieving performance targets and reducing overall figures of crime and disorder during 09/10 demonstrated by the reduction in the three crime categories listed in the key performance indicators.
10. Burglary Dwelling remains a key pressure in relation to allocation of resources both staffing and financial. Tackling burglary dwelling is a key priority within the Division and across the whole of Leeds, we will be working closely with Safer Leeds Strategic burglary group to maximise opportunities for closer working and sharing good practise and continue to deliver initiatives at a local neighbourhood level

### **Key Achievements 09/10 – Tasking teams**

11. This is not an exhaustive list of activities but includes key achievements from each of the tasking teams (data extracted from Divisional Community Safety Partnerships Executive quarterly highlight reports).

## 12. Harewood

- Road safety campaigns took place in March to tackle speeding, in response to local policing priorities for the villages. Six speeding tickets were issued, ten people were sent on a speed awareness course and one person went straight to court.
- An operation took place in Collingham in September to deal with speeding and those abusing the 'access only' road of Beck Lane which was advertised in advance. Six Linton residents were given fixed penalty tickets for speeding, a £60 fine and three points on their licences. Many cars were stopped trying to use Beck Lane as a short cut through onto the A659 in Collingham.
- In April 2009 a nominal from Collingham received a four year prison sentence. The local PCSO had initiated the drugs raid in December 2008 on the nominal's home and found over £50,000 worth of cocaine in his washing machine.
- During an Operation Champion in May a cannabis factory was uncovered in Shadwell.
- The Farmwatch operation running in the area continued to grow from strength to strength. Five poachers from Seacroft who had been killing rabbits on land in Collingham were apprehended on the A58 and will be shortly be appearing in court.

## 13. Wetherby

- Travellers on A58 Wetherby Road evicted, 3 month notice to quit enforced.
- Working with Sainsburys and neighbouring shop holders to address ASB.
- Multi agency approach with a nominal with mental health problems causing ASB in Wetherby. Through multi agency meetings he was sectioned and forced to take his medication. Since taking his medication through supervision there have been no further mental health problems and no further ASB.
- Problems with youths congregating at Sainsburys, Scaurr Bank, Millenium Field and Sandringham Road - Police, Youth Service and ENEHL provided additional patrols and work with the young people. ASB has now dropped to almost zero after working with the young people and educating local residents.
- Young person continually causing general nuisance and ASB was recently arrested for assaulting a police officer. Joint work between the Police and Education Cluster Manager has resulted in an ASBO and since this time the young person appears to be abiding by the conditions of the ASBO.
- Joint agency work with Police, ENEHL and Youth Service tackling Sandringham Road Play area where youths congregating and drinking causing nuisance.
- Youth services and Sports Development looking extending provision and working alongside Street Angels.
- Operation Champion in Boston Spa.
- Multi agency intervention with PCT and ENEHL regarding support needs of a nominal with mental health issues.
- Working with ASBU and school to address several violent offences, ASBO now secured on nominal.

## 14. Alwoodley

- From the start of this period focus of partnership has been tackling the burglary dwelling sharp due to sharp rise in these offences.
- Various work streams ongoing focussed on enforcement and offender management, intelligence gathering and preventative work.
- Operation Greenhill - culmination of covert operation resulted in over 120 suspects arrested. Many charged in relation to conspiracy to burgle in Roundhay, Alwoodley, Moortown.
- 20 - 21 May Operation Impact - vulnerable victim focus. Working with partners regarding hate crime and domestic violence.
- 29 - 30 May Operation Impact - road safety and ANPR focus. ANPR operations involving partners.
- Week commencing 8 June 2009 National Drugs Week - Champion day of action in RAM 10 June. We conducted six warrants all resulting in drugs seizures and arrests. The noticeable area in which partnership work is ongoing is the cultivation of cannabis. We have discovered four "factories" in this period and investigations are ongoing into what is clearly organised crime in our area involving people trafficking.
- Operation Champions – 10 July 2009 (Lingfields/Fir Trees/Cranmer Bank).
- Operation Buzzer - launched July. Feedback from shops positive. Patrols of ASB hotspots during holidays resulted in some alcohol seizures but none traced back to shops. Decrease in perceived ASB by youths. Ongoing with test purchase operations.
- ASBO obtained on youth causing persistent problems around Lingfield and Fir Trees. Also amended ASBO obtained for youth offender, now prohibited from Lingfields and Fir Trees. Leaflets updating public.
- Operation Bellweather - September launch of burglary prevention/reduction/detection plan. Including trembler alarms and smart water to victims and other vulnerable addresses. Focus on revisits. Intelligence push "Bag a Burglar" campaign around offenders. RAM is now under target for burglary and has had less burglary victims than last year which builds on five years of reductions. Main impact is on arresting offenders and disrupting their activity.
- Operation Brunette – 7 August 2009 visits to pubs and on licensed premises with drugs dog. Partnership with Pubwatch and Licensing.
- Operation Buzzer continued - three further TP operations including one at On Licence premises. This was interesting as four premises sold, all sellers received £80 fixed penalty. General feedback about the bags was good and ASB relating to drink appears reduced.
- Operation Confidence - October and November across whole area/delivery of local newsletters.
- 5 warrants executed in conjunction with ENELH and ABSU in relation to premises highlighted through tasking.
- Make your community count event 22 October 2009.
- Firework Operation in run up to Bonfire with Trading Standards.
- Operation Bellwether - continues regarding preventing and reducing burglary (a local priority for each ward). Tremblers and smart water still on offer to public.
- Operation Bellwether - targeting burglary hotspots and utilising offender management. Daily additional activity has maintained reduction in burglary across RAM. Several key nominal's now in custody. Utilised trembler alarms and smart

- water on PCSO revisits to reassure victims and neighbours.
- Operation Buzzer - although this has officially finished the test purchase operations have continued with focus on off licences selling to under age and also proxy sales to adults for under age. Three operations conducted. Fixed penalty tickets to five shops and two further on action plans with licensing.

### **Thematic Sub Groups and Activities**

15. The following are some examples of work co-ordinated via the thematic sub groups.

#### **NE Divisional Property Marketing Initiative**

16. An ultra violet pen was delivered to every household in the North East Division (128,000) with the quarterly NPT/tasking newsletters. The Police Community Safety Officers engaged face to face with approximately one in four people. Feedback has been positive and has contributed towards an increase in public confidence and satisfaction.

#### **Burglary Reduction Initiative – Roundhay / Alwoodley / Moortown / Chapel Allerton**

17. Funding applications to the Outer North East and Inner North East Area Committees were successful. Trembler alarms ( £1,706.25) and smartwater kits (£4,500.00) have been purchased and police community safety officers continue to target households that have been victims of burglary .
18. A report was taken to the Inner North East and Outer North East Area Committees to fund trembler alarms in Roundhay, Alwoodley, Moortown and Chapel Allerton NPT's - £4875.00 in total. PCSOs continue to visit victims of burglary and fit these pro-actively in identified streets (average 2 per household). Feedback from victims of burglary has been positive. The fitting of trembler alarms has been successful in the prevention of a few burglaries resulting in the offender running off. The main hotspots targeted for proactive measures in Alwoodley have been Cranmer Bank estate, Lingfield Fir Tree estate, the Golf Course estates, and the streets adjacent to The Avenue.

#### **Operation Buzzer – Roundhay , Moortown and Alwoodley**

19. Operation Buzzer is an initiative aimed at reducing consumption of alcoholic beverages by underage drinkers by limiting their ability to purchase or arrange for purchase on their behalf. 15 licensed premises were identified as suitable, operational planning ensued and the initiative was launched on 22 July 2009. 13 out of 15 identified premises signed up for the initiative and has been followed up with several test purchases.
20. Since commencing Operation Buzzer in Roundhay, Alwoodley and Moortown officers from the Neighbourhood Police Team have patrolled areas identified by the public as areas of concern with regard to under age drinking. Patrols have involved PC's and PCSO's with headcams to capture evidence and community impact of any anti-social behaviour. Areas patrolled have included local priority locations for example in Roundhay ward, Lincombe Drive and the Brackenwood and Chandos estates. In Alwoodley ward Wigton Moor playing fields, the Moor Allerton Centre, Cranmer Bank

and Lingfield Drive. In Moortown ward Parkside Road including Meanwood cricket club and Moortown Corner. Officers have only come across underage youths with alcohol on ten occasions. In total about two hundred cans and bottles have been seized. None have been marked with a shop sticker involved in the scheme. Eight young people have been taken home and spoken to in front of parents. Two young people were arrested for drunk and disorderly.

21. We have seen a reduction in calls regarding youth drinking under age and causing anti-social behaviour. We have been pleased we have not come across large numbers of young people in possession of alcohol.
22. It is interesting that the public surveys conducted by the West Yorkshire Police Authority are positive in terms of peoples perceptions of reducing anti-social behaviour in Roundhay, Alwoodley and Moortown. In September 2008 15.9% of people thought ASB was getting worse. By September 2009 that figure had reduced to 8.4%. This is the second lowest perception of ASB in the Force area. Also perceptions that the Council and Police were tackling these sorts of issues have increased from a lowly 37.8% in December 2008 to 50.5% in December 2009 believing positive action is being taken.
23. We have introduced Safer Schools Officers into local schools they have worked to increase responsibility taken by young people. Youth Services have increased local provision at hotspot areas for example Wigton Moor, and at Open Door. Feedback from retailers has been positive and one shop has enquired about purchasing more stickers and bags.
24. The test purchase part of the operation has been very impactive. This is paying dividends across Roundhay Alwoodley and Moortown. It is making licensees more vigilant in sales to young people, and making it harder for young people to get alcohol even when an older person is trying to buy it on their behalf. Where licensees are failing in their responsibilities follow up action with Leeds City Council Licensing Department is ongoing. This will include loss of licence where appropriate. *'I do think this has really focussed their minds and made them think 'I must not sell'*, said a WYP Licensing officer. Further test purchasing will now continue during 10/11 with additional funding by Area Committees.

25. **Pre- Area Committee Events**

Three events were delivered to Inner East, Inner North East and Outer North East Area Committees with the theme 'Working together to design out crime'. The purpose of the event was to provide an opportunity for community members involved and interested in helping reduce crime to come together with councillors and agencies across the area and share ideas, make new contacts and look at funding opportunities. The events were well received and attended.

**Hate Crime Sub Group**

26. The North East Hate Crime Sub group continues to case study victims and perpetrators of hate crime. The group has been identified as using good practise and has now been replicated across Leeds.

27. Racially aggravated crime made up 95% of hate crime in the last police year (April-March 10 - Total 382 offences). Compared to the previous year hate crime totals in the division were down by 12% - 336 offences (Please refer to breakdown in ward crime statistics).

### **Domestic Violence Sub Group**

28. Domestic Violence article in quarterly neighbourhood management/NPT newsletter delivered to 130,000 homes across the division.

### **Domestic Violence MARAC<sup>1</sup>**

29. The North East Divisional MARAC continues to meet monthly to develop multi-agency interventions to support victims of domestic violence.

### **Total ASBOs<sup>2</sup> in North East Division**

30. 5 full ASBOs and 4 bolt on ASBO' and have been secured across the NE Division in 2009/2010.

### **Current ASBOs by ward 09/10 :**

31.
  - Wetherby - 1
  - Alwoodley - 1
32.
  - **ASBO warnings have been served:**
  - Wetherby - 1
  - Alwoodley -1

### **Injunction Data**

33. Analysis of data supplied by the Anti Social Behaviour Unit and Legal Services confirm that a total of 14 injunctions were secured across the whole division:
- Wetherby - Nil
  - Alwoodley – 3

**Report on the multi agency Operation Champions**

- 40 Operation Champion continues to be delivered in Outer North East Area as discussed in Paragraph 5 of the report.
