

22 JUL 2010

Licensing Act 2003

RECEIVED

PART 1 - to be completed by the Responsible Authority

Health and Safety Service – Proposed controlled measures under the

Name & Address of Premises : Barnbow, Austhorpe Road, Austhorpe, Leeds LS15 5

Having considered the application under the Licensing Act 2003 for the above premises, the Health and Safety Service considers that the following measures are proportionate and necessary in order to promote the following licensing objective/s:

- Public safety

Measures proposed:

No	Potential Control Measures
1	Public Safety 3 :- Management Arrangements
2	Written records of all accidents and safety incidents involving members of the public will be kept. These will be made available at the request of an authorised officer.
3	A suitably trained and competent person must ensure regular safety checks of the premises including decorative and functional fixtures, floor surfaces and equipment (including electrical appliances) to which the public may come into contact are undertaken. Records of these safety checks must be kept and made available for inspection by an authorised officer.
4	During opening hours the cellar door must be kept locked or adequately supervised to prevent unauthorised access by the public.
	Public Safety 4 :- Fire/Electrical Safety
5	Electrical installations will be inspected on a periodic basis (at least every 3 years or at a frequency specified in writing) by a suitably qualified and competent person. If used, any temporary electrical wiring and distributions will also be inspected. Inspection records/certificates will be kept. These will be made available at the request of an authorised officer.
6	One of the following protective measures shall be used for all socket-outlets which may be used for the connection for lighting, video or sound amplification equipment and display models: a) Each socket-outlet circuit shall be protected by a residual current device having a rated residual operating current not exceeding 30mA. or b) Each individual socket-outlet shall be protected by an integral residual current device having a rated residual operating current not exceeding 30mA. The current operation of all residual current devices shall be checked regularly by pressing the test button. If the device does not switch off the supply, an electrical contractor should be consulted. At the same time action should be taken to prohibit the use of socket outlets associated with a faulty residual current device.
	Public Safety 6 :- General Housekeeping
7 X	Safety glass that is impact resistant should be used wherever possible in all areas where the public may come into contact with it. Where it is not used in public areas, glazing should be shielded to protect it from impact.
8	A written spillage policy will be kept to ensure spillages are dealt with in a timely and safe manner
	Public Safety 7 :- Refreshments
9	Members of the public will be prevented from accessing hot food and drink preparation areas to prevent risk of scalds or burns to them.

	Public Safety 8 :- First Aid
10	A suitably trained First Aider or appointed person will be provided at all times when the premises are open.
11	Adequate and appropriate First Aid equipment and materials will be available on the premises.
	Public Safety 9 :- Special Effects
12	Where strobes, lasers, smoke machines or any other special effects equipment may be used, a written health and safety policy covering all aspects of their use will be provided, and staff will be appropriately trained.
13.	No strobes, lasers, smoke machines or any other special effects, will be used at the premises unless there is a clearly displayed warning at the entrance to the premises that such equipment is in use.

The Health and Safety Service is satisfied that the proposed measures are not adequately dealt with by other legislation.

By signing the declaration enclosed overleaf the applicant agrees to incorporate the proposed measures as conditions within the Operating Schedule for the said premises.

Upon the satisfactory completion of the declaration the Health and Safety Service will provide notice to the Licensing Authority that our representation is withdrawn in accordance with schedule 10(a) of the Licensing Act 2003 (Hearings) Regulations 2005.
