Dear Sirs

Vicky's General Store, 5 Garton Road, Leeds, LS9 9NH

I am writing to you in connection with the application by the above named for a premises licence.

I strongly oppose the application for the following reasons:

1. The area already has a high crime/ASB rate especially in the Gartons where various families are continuing to cause problems often alcohol related. The Police are aware of the ongoing problems and action is being taken to evict these families.
2. The whole of the Garton's area including East Park Street is littered with broken alcohol bottles along the paths and roads where teenage drinkers have been congregating. Granting Vicky's newsagents a license would only add to these problems. I have even witnessed children as young as 10 drinking in and around these streets.

3. I walk my dog around the local streets and approximately a month ago I had to visit the vets as my dog had walked over some glass and it had lodged in her paw causing both her and me distress.

There are numerous shops within a short walking distance of Garton Road already selling alcohol and In light of the above concerns I would ask you please not to grant Vicky's Newsagents a licence to sell alcohol.

Yours sincerely

Petition

This is a petition to Leeds City Council Licensing Section. The residents of East End Park wish to protest against the application of a license to sell alcohol by:

Vicky's General Store
5 Garton Road,
Leeds
LS9 9NH.

We are concerned about the problems this would bring to an already troubled area. This area is already populated with off licenses

By having another store serving alcohol means that there will be an increase of alcoholic crime and disorder in this area. Groups will congregate around the store causing a nuisance to local and elderly residents.

This area has a history of having a high amount of incidents for drug and alcoholic related crimes, and the police are very aware of this.

Public and personal safety is at risk.

Further there would be increased noise from not only local children but vehicles parking and starting

Petition

The residents of East End Park are protesting against the application of a license to sell alcohol by:

LS9 9NH

We feel that this area is already populated with enough Off Licenses to serve our needs. Having any more will only increase the risk of alcohol related crimes.

This area has long history of anti-social behaviour and the problems associated with large groups of people, in particular young people, hanging around in groups on the street.

Having another Off License in the vicinity will increase the risk of anti-social behaviour and public nuisance. There will be more people hanging around the area late at night increasing the amount of anti-social behaviour and noise pollution. The amount of cars that park and start in the area will also increase the traffic and noise pollution.

Sales to children require monitoring and the existing licensed businesses have the experience to deal with requests from underage drinkers.

The police are very aware of the problems that trouble this area. We feel that by licensing another business in the area will increase these and that public and personal safety would be put at risk.

To whom it may concern,

I am a resident of the East Park area and it alarms me that there is a business in the area that is applying for a license to sell alcohol.

The business in question is:

Vicky's General Store
5 Garton Road
Leeds
LS9 9NH

We have no need for this and I object to the application very strongly.

We have many problems here with anti social behaviour and public nuisance. I feel by increasing access to alcohol in the area will worsen these problems.

There will be more people hanging around causing trouble and noise. Traffic will also increase and cause noise. This is a residential area and increasing these problems will distress me and many other residents.

The Off Licenses that we already have are sufficient for our needs. They also know the area and are able to manage their sales of alcohol responsibly.

I hope you listen to the people of this area and take the issues that we have here into consideration when making your decision.

Thank you,

Further there would be increased noise from not only local children but vehicles parking and starting cars particularly at late evenings.

I am a resident of the local area and I feel that licensing another business to sell alcohol will exacerbate the amount of problems we have here. These problems are related to crime, antisocial behaviour, and public nuisance. We have long been troubled by these and increasing access to alcohol in the area will only add to them. The police are also very aware of these problems.

Licensing this business will give some people an additional area to congregate and cause trouble. In this area we wish to combat these problems not to add to the ones we already have.

Since we already have so many Off Licenses in the area there is no need to open another one and risk worsening all these problems.

The police and residents in the area have worked very hard to manage these issues and I do not want anything to happen that could jeopardise this.

I am a resident of the East End Park area and I wish to object to the licensing of Vicky's Stores, of 5 Garton Road, Leeds, LS9 9NH, to sell alcohol.

It does not make sense to license another shop when we already have so many Off Licenses in the area. Our need for licensed premises is more than sufficiently provided for by the current businesses.

This area is already troubled by antisocial behaviour and crimes related to alcohol and drugs. Having more alcohol available will increase these problems and as a result the residents of the area will suffer a lot.

I live around the corner from this newsagent and do ^{not} wish to experience the problems that come hand in hand with the sale of alcohol in an area such as this one. There are many issues here associated with anti social behaviour, crime, and drugs.

It would also increase the amount of noise and traffic outside my home and this would disturb me a great deal, especially if it was late in the evening.

As you can see from my letter the addition of another Off License would be very detrimental to all the hard work done here by the community and the police in combating these issues.

I am writing to you in regards to Vicky's General Store, 5 Garton Road, Leeds, LS9 9NH.

It has come to my attention that this Newsagent had made an application for a license to sell alcohol.

I wish to object to this application on many grounds.

Firstly, there are already enough Off Licenses in the area to serve our needs.

Secondly, we have many problems in this area such as antisocial behaviour, drugs and crime. Increasing the availability of alcohol will exacerbate this problem. It will also make it difficult for residents and the police to manage the problems we already have.

Thirdly, it will attract more people and cars to the area late in the evenings. This would cause a lot of noise and commotion which would distress me and also my young children who would be asleep in the evenings. More people hanging around would also increase the risk of antisocial behaviour. We do not want these problems in this area and having more alcohol available will make them worse.

In addition to this, the person making the application may not have the experience needed to sell alcohol responsibly in an area such as ours where we have a problem of underage drinking and intoxicated people causing noise and trouble on the streets. Under age or intoxicated people could intimidate licensees into selling alcohol to them. The current businesses do have the ability to deal with these issues responsibly and I have witnessed them doing so.

I have young children and I am especially concerned about their safety in an already trouble area. They also sleep early in the evenings and I feel any excess noise caused by extra noise, traffic, and anti social behaviour in the evenings would disturb their sleep. This could also have an impact on how they perform at school.

There is no need for an additional Off License in this area. An extra will add to the above problems and make the lives of the residents of area very difficult.

The police are also trying to manage the problems here and we feel it would make their job a lot harder if there was more alcohol around.

Licensing this business would also increase the flow of traffic and noise through this area. We would find this very distressing as residents, especially if it were late in evening.

We ask that you do not license this business.

Hi the licensing department

Re VICKY'S GENERAL STORE 5 GARTON ROAD LEEDS 9 LS9 9NH, 0800-21.00

I am writing to confirm my objection against the new application for the grant of the above premises to be licensed. We live facing the park and we have problems with anti social behaviour with youths drinking excessive amounts of alcohol and with rowdy behaviour and vandalism, with my vehicle being damaged a number of times, these incidents were reported to the police, my wheelie bin being burned out regularly and my son been threatened so this proposal of licensing a shop near to the Park would not be advisable. So I strongly object to this application for Vicky's General Store being licensed.

I am a resident of the East End Park area and I wish to object to the licensing of Vicky's Stores, of 5 Garton Road, Leeds, LS9 9NH, to sell alcohol.

It does not make sense to license another shop when we already have so many Off Licenses in the area. Our need for licensed premises is more than sufficiently provided for by the current businesses.

This area is already troubled by antisocial behaviour and crimes related to alcohol and drugs. Having more alcohol available will increase these problems and as a result the residents of the area will suffer a lot.

I live around the corner from this newsagent and do wish to experience the problems that come hand in hand with the sale of alcohol in an area such as this one. There are many issues here associated with anti social behaviour, crime, and drugs.

It would also increase the amount of noise and traffic outside my home and this would disturb me a great deal, especially if it was late in the evening.

As you can see from my letter the addition of another Off License would be very detrimental to all the hard work done here by the community and the police in combating these issues.

We hope you consider the background of this area and wishes of the residents when considering the application for license.

We feel that this area is already populated with enough Off Licenses to serve our needs. Having any more will only increase the risk of alcohol related crimes.

This area has long history of anti-social behaviour and the problems associated with large groups of people, in particular young people, hanging around in groups on the street.

Having another Off License in the vicinity will increase the risk of anti-social behaviour and public nuisance. There will be more people hanging around the area late at night increasing the amount of anti-social behaviour and noise pollution. The amount of cars that park and start in the area will also increase the traffic and noise pollution.

Sales to children require monitoring and the existing licensed businesses have the experience to deal with requests from underage drinkers.

The police are very aware of the problems that trouble this area. We feel that by licensing another business in the area will increase these and that public and personal safety would be put at risk.

I am writing to you in regards to Vicky's General Store, 5 Garton Road, Leeds, LS9 9NH.

It has come to my attention that this Newsagent had made an application for a license to sell alcohol.

I wish to object to this application on many grounds.

Firstly, there are already enough Off Licenses in the area to serve our needs.

Secondly, we have many problems in this area such as antisocial behaviour, drugs and crime. Increasing the availability of alcohol will exacerbate this problem. It will also make it difficult for residents and the police to manage the problems we already have.

Thirdly, it will attract more people and cars to the area late in the evenings. This would cause a lot of noise and commotion which would distress me and also my young children who would be asleep in the evenings. More people hanging around would also increase the risk of antisocial behaviour. We do not want these problems in this area and having more alcohol available will make them worse.

In addition to this, the person making the application may not have the experience needed to sell alcohol responsibly in an area such as ours where we have a problem of underage drinking and intoxicated people causing noise and trouble on the streets. Under age or intoxicated people could intimidate licensees into selling alcohol to them. The current businesses do have the ability to deal with these issues responsibly and I have witnessed them doing so.

I have young children and I am especially concerned about their safety in an already trouble area. They also sleep early in the evenings and I feel any excess noise caused by extra noise, traffic, and anti social behaviour in the evenings would disturb their sleep. This could also have an impact on how they perform at school.

There is no need for an additional Off License in this area. An extra will add to the above problems and make the lives of the residents of area very difficult.

I write to object in the strongest possible terms to the application for a further alcohol sales outlet in this area.

The area already has sufficient facilities.

The opening of a further unit will increase the possibility of further alcohol Related crime and disorder. Possibility of groups accumulating and causing a nuisance to local and elderly residents.

The area already suffers from considerable drug and alcohol related offences.

Public and personal safety is at risk.

Further there would be increased noise from not only local children but vehicles parking and starting cars particularly at late evenings.

Sales to children require monitoring existing users have the experience to deal with requests from under age drinkers.

Date 30 August 2010

Dear Sir,

Regarding the application for a licence to sell Alcohol at Vicky's general store at 5 Garton road, I would like to lodge an objection to the licence being granted on the following grounds.

1. There is already an off licence within three to four hundred yards of the above mentioned store.
2. Over the years there have been incidents of anti social behaviour outside the store i.e. gangs of youths congregating and being abusive to the store keeper and the general public. I would not like to see this repeated at the end of Garton view, where we are trying to put an end to this sort of behaviour Which has blighted our area for so long.
3. After living at my current address for over 26 years I have noticed that over the years there has been an increase of the amount of general litter produced by thoughtless customers leaving vickys general store ie discarded sweet wrappings, empty pop cans / cartons. These end up throw away in the street or in our gardens. I for one do not wish to add beer cans/Bottles (possibly broken) to the existing rubbish which is at times left on the floor for quite a considerable time before the council clears it away, we do not seem to have the regular litter picking from the council that other areas of Leeds enjoy.
4. The area around the Gartons Has been the subject of many meetings I have attended which where attended by both Mr Brett and Mr Pryke regarding dysfunctional families and all the problems that they cause within this area and firmly believe that if granted the sale of alcohol at the

end of Garton view will possibly only add to the existing problems in the area.

Yours faithfully,

This area has a history of having a high amount of incidents for drug and alcoholic related crimes, and the police are very aware of this.

Public and personal safety is at risk.

Further there would be increased noise from not only local children but vehicles parking and starting cars particularly at late evenings.

Sales to children require monitoring, existing users have the experience to deal with requests from underage drinkers.
