

Outer West Area Committee Well Being Fund
Commissioning of Service

Project Name: Highfield Green footpath

Lead Organisation: West North West Homes Leeds (WNWHL)

Project Delivery - How will the project be delivered? (list any partners involved in the project):

There is currently a well utilised foot path leading to the bus stop on Highfield Green, Pudsey. However this foot path is muddy in the winter and it is not wide enough for wheel chair, mobility scooter or push chairs.

The project will be a capital scheme run by an appropriate contractor on behalf of WNWHL to create a formal surfaced path to enhance the usability of the path and the aesthetics of the site.

Consultation has been carried out with the local residents through a door-to-door questionnaire and also a letter regarding the plans has been situated within the bus stop.

Project Summary (include a brief description of the main activities, why the project is needed and links to key priorities):

This project will make improvements to footpath that runs across the greenspace on Highfield Green. The current path is not fit for purpose even though it is used by many of the local community, Therefore it was suggested that a tarmac footpath wide enough for push chairs and mobility scooter is built. The works will be carried out as follows:

- Excavation of the current compacted path
- Installation of the new tarmac path

Outcomes (summarise the main outcome/output/benefit the project will achieve):

- The path will increase the accessibility of the bus stop to the local people in the community
- The path will increase the aesthetic appearance of the estate
- The beneficiaries of the project are potentially the whole of the estate that surrounds the bus stop

Project Cost. Please indicate

How much the project will cost? The project will cost £6,004.00 (capital);

Identify which geographic areas will benefit:

Pudsey Ward.

How much Well Being Funding is sought and breakdown between capital and revenue)

The project will cost £6,004.00

The amount requested from the Outer West Area Committee is £3,152 (capital) which includes the planning application costs.

WNWHL Area Panel have already approved £2,852.00 as match funding for this scheme

Who will be in receipt of the financial order. (name of the organisation and contact details)
