96 Exempt Information - Possible Exclusion of the Press and Public

RESOLVED – That the public be excluded from the meeting during consideration of the following parts of the agenda designated as exempt on the grounds that it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present there would be disclosure to them of exempt information so designated as follows:-

- (a) The appendix to the report referred to in Minute No. 109 under the terms of Access to Information Procedure Rule 10.4(3) and on the grounds that the appendix details the cost estimate for constructing the arena based on the RIBA Stage D+ design and specifications and reviews the funding strategy for the development of the building. It is considered that the public interest in maintaining this information as exempt outweighs the public interest in disclosing the information, as disclosure would prejudice the outcome of the procurement process for the appointment of the contractor to undertake the building works contract, as the contractor could structure their tender to match the Council's cost estimate and hence the Council may not achieve full value for money in terms of the cost to the Council of developing the arena.
